Martha Pitt

Phatka,

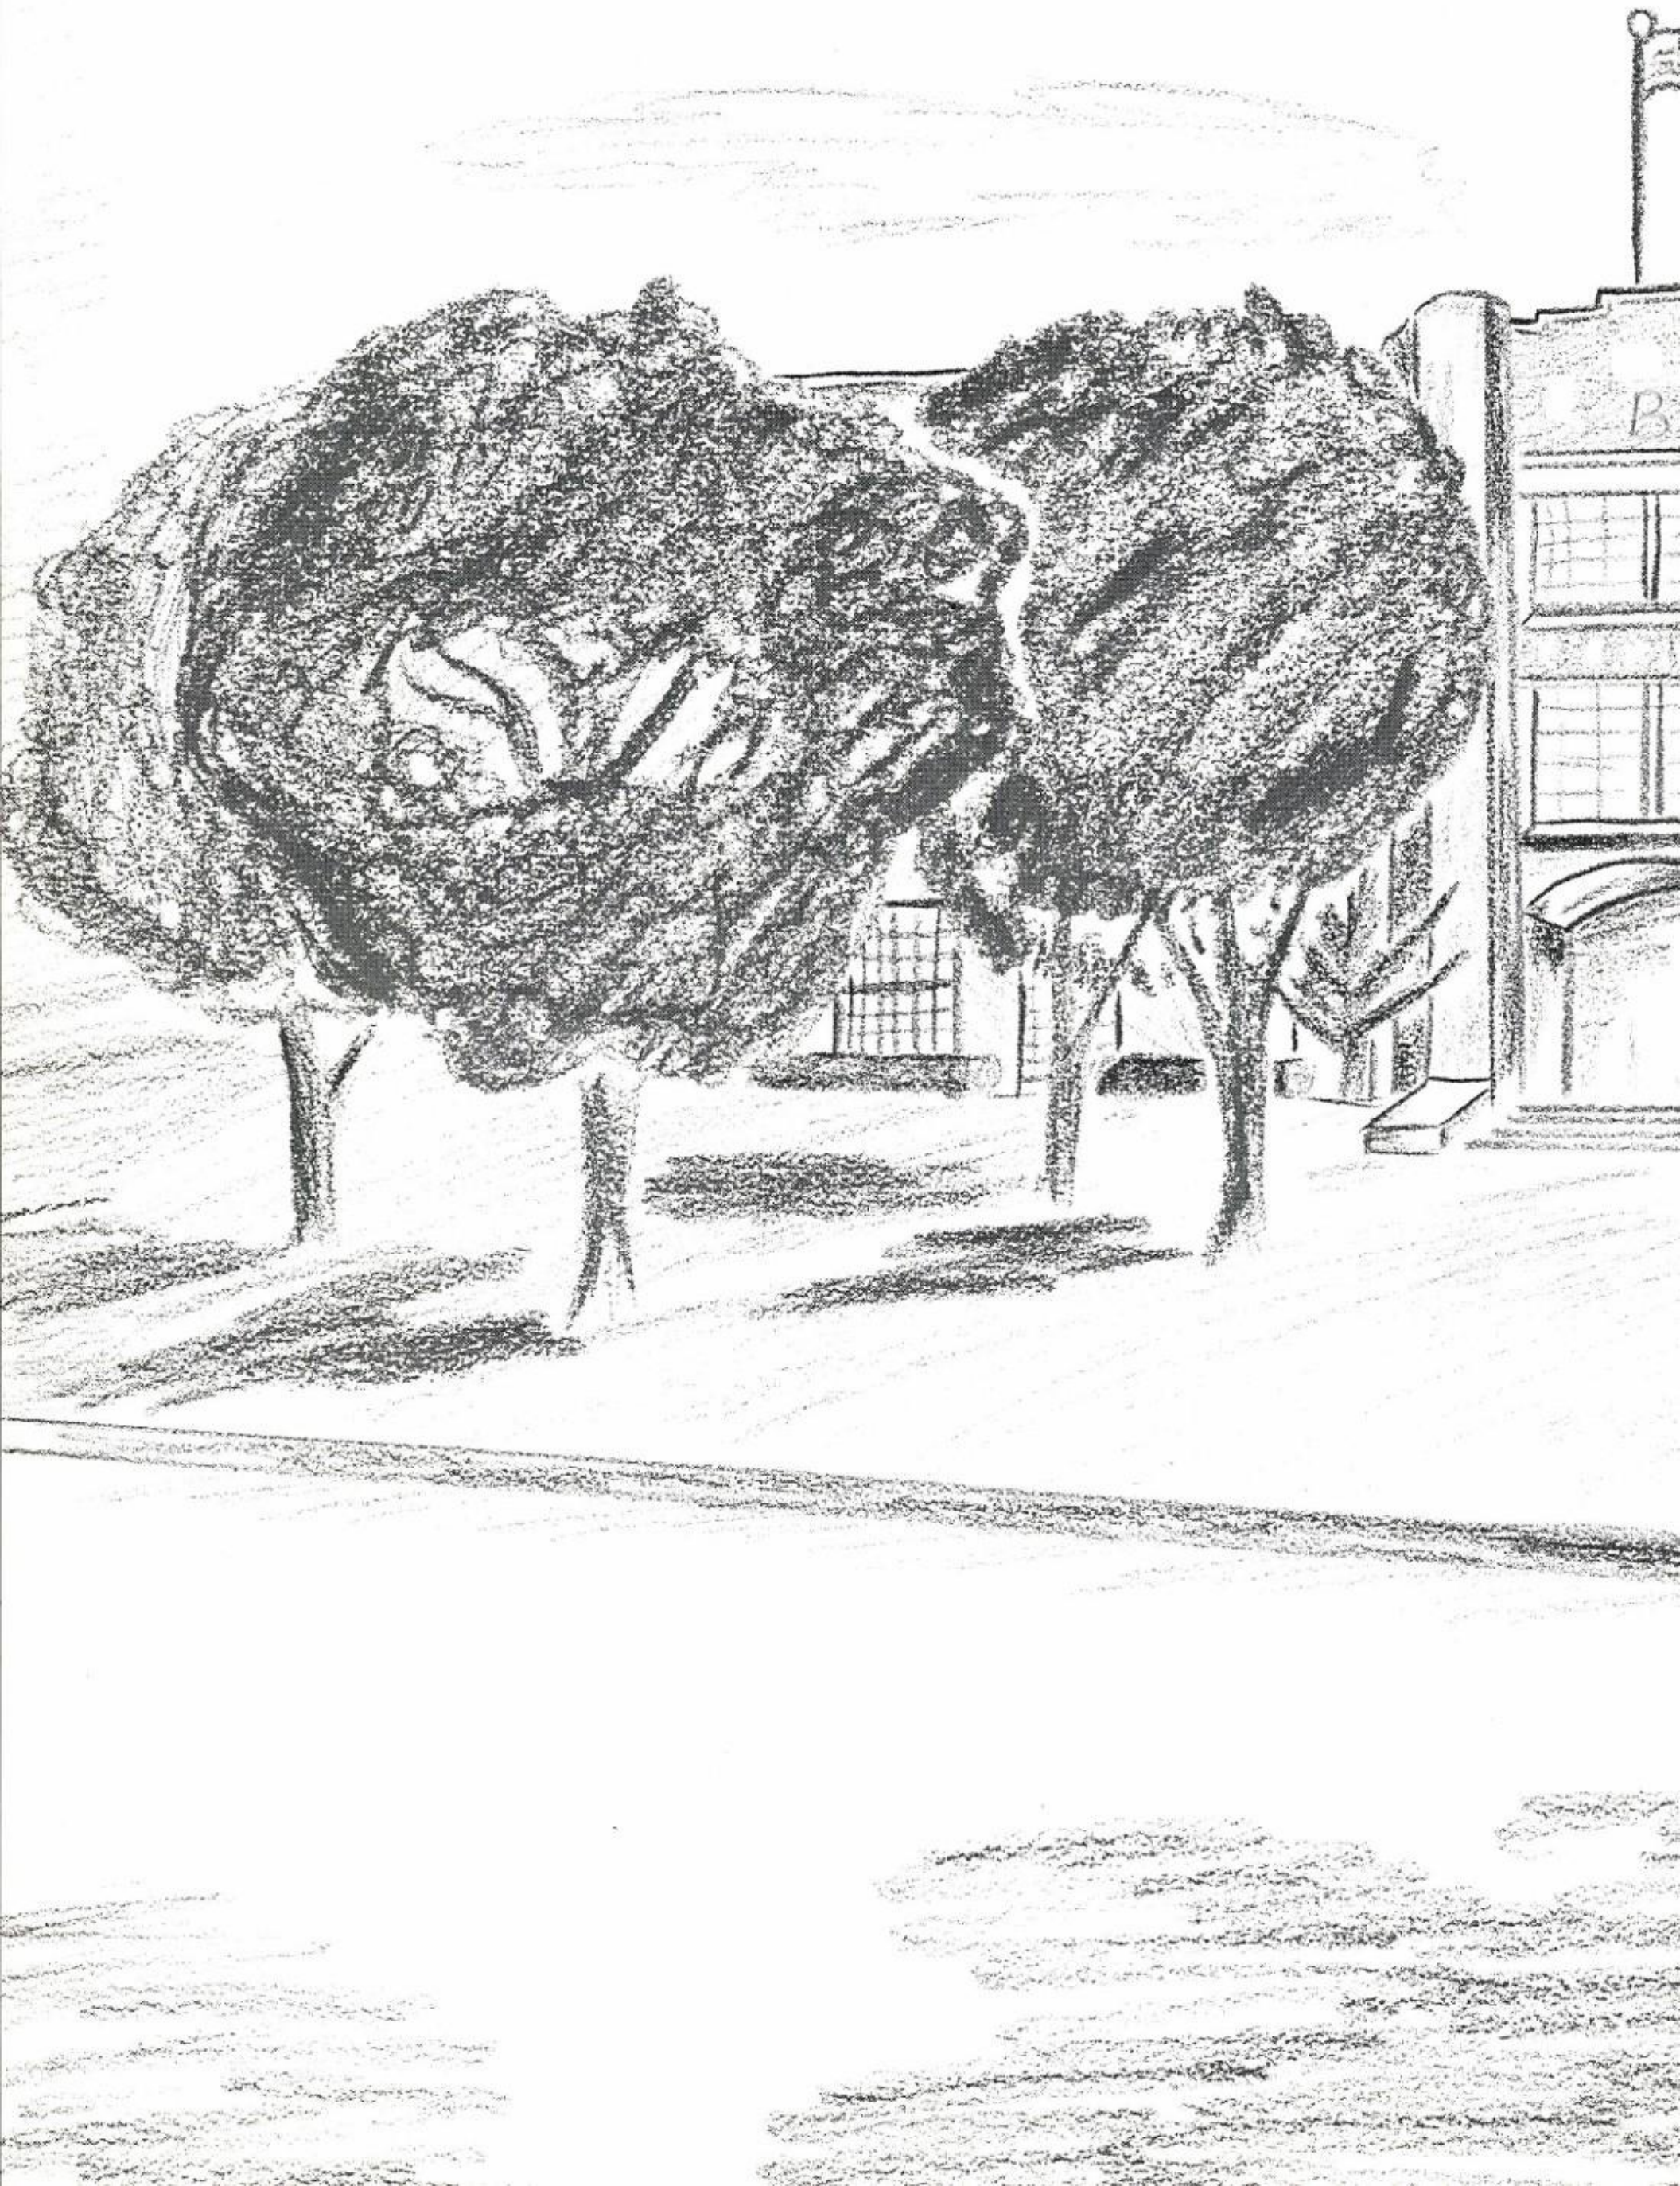

This year sure has gone by fast it seems like only yesterday I was signing your 65' annual!! In three more months we'll be Juniors, it seems like only yesterday we were just entering Junior High and then our graduation from Junior High. Before we know we'll be in College or in Business School and we will be looking back on the years and cherish some of the wonderful times we've had and all the fun, and sometimes we will just laugh at the things we did and wish we hadn't done them. This year sure has been wonderful. We've had a lot of fun together. You have got a wonderful personality, and you don't know how much I cherish your friendship. I don't know what I would have done without you to get me in a good mood when I'm in a bad mood. I don't think we've ever had a fight, so let's keep it that way. We've got two more years in high school, they'll go by fast, so let's make the best of them. Sometimes we think we can't take it any longer, though. I really hope we can always be the best of friends. Remember taping cars one Sunday afternoon? We've had some crazy times together. And remember when I listened in on Ray and Gary one time to see if they were talking about us??? HA! Then I told Ray I heard ever word he & Gary said. (he got scared) I think you are a wonderful friend and I can't tell you how much I'll always cherish your friendship.

You and Robert are very darling together, he's a very sweet boy. I hope you go together for a long time. I just hope I'll finally be able to date Gary this summer!! I love you always,
 { Well, Oph. - my blood pressure is rising } Sally (Lillian)

BONNIE WOODRING

This car is a typical example of what Seniors can do in five minutes. It was one of the entries in the parade advertising the Halloween Carnival.

Just fifty-six more days until the senior trip?

Coach Brevard goes into the water again!

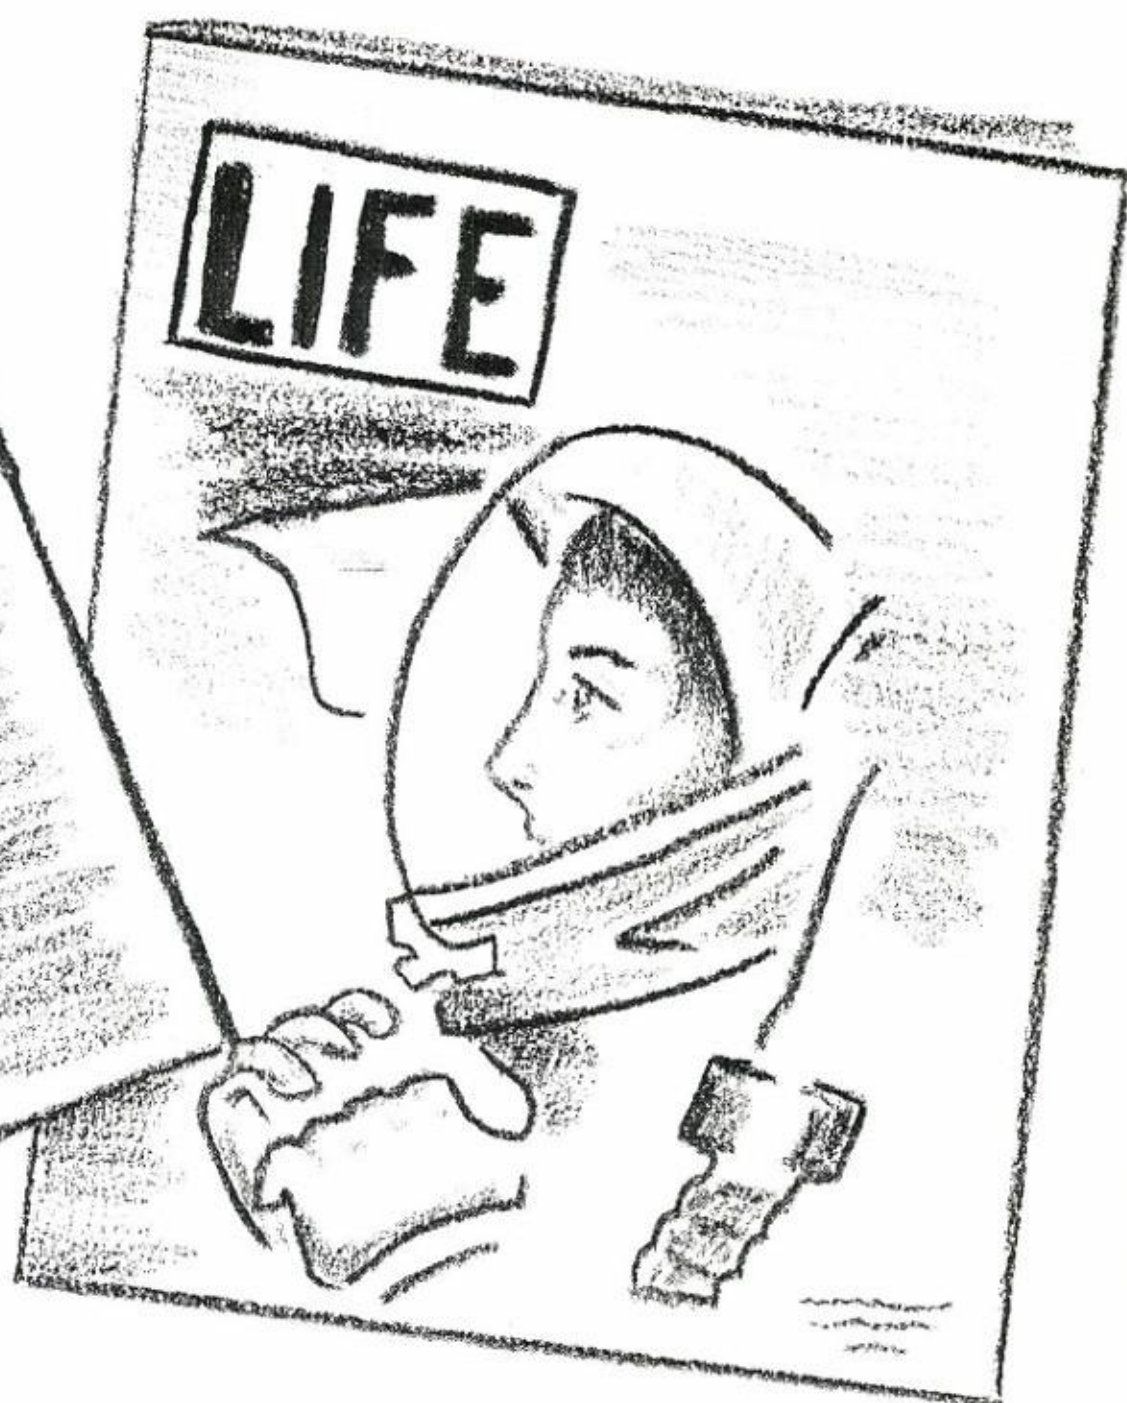

The bingo table is always a big attraction at the Carnival. Some of the prizes were donated by local merchants of Ballinger.

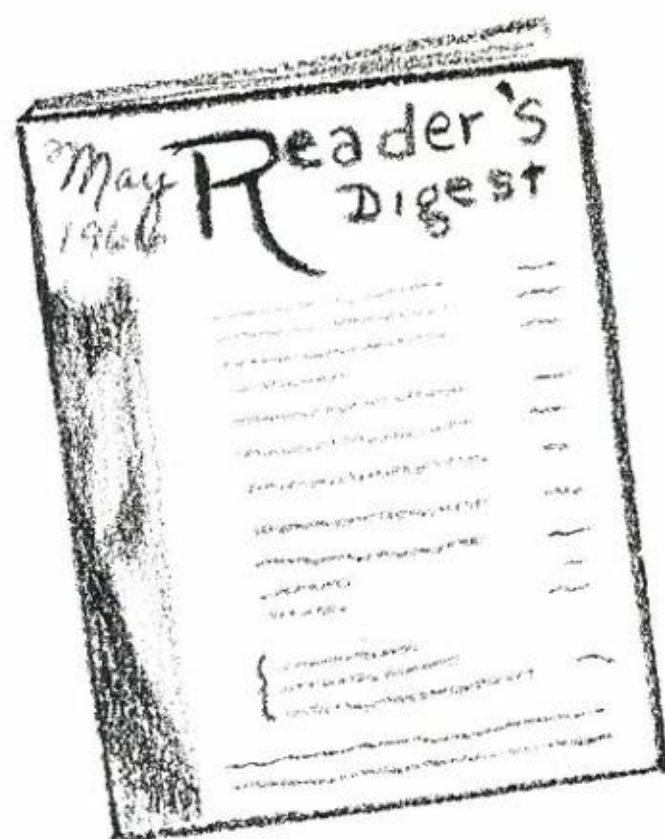

Step right up and buy a hat! Everyone wears a hat at the Halloween Carnival.

These students are really having fun with the roll-a-ball game.

The Latin Club students sang Christmas songs in the halls of high school and junior high the day classes were dismissed for the holidays.

The Student Council sold balloons at all home football games and the two walk-out pep rallies held this year.

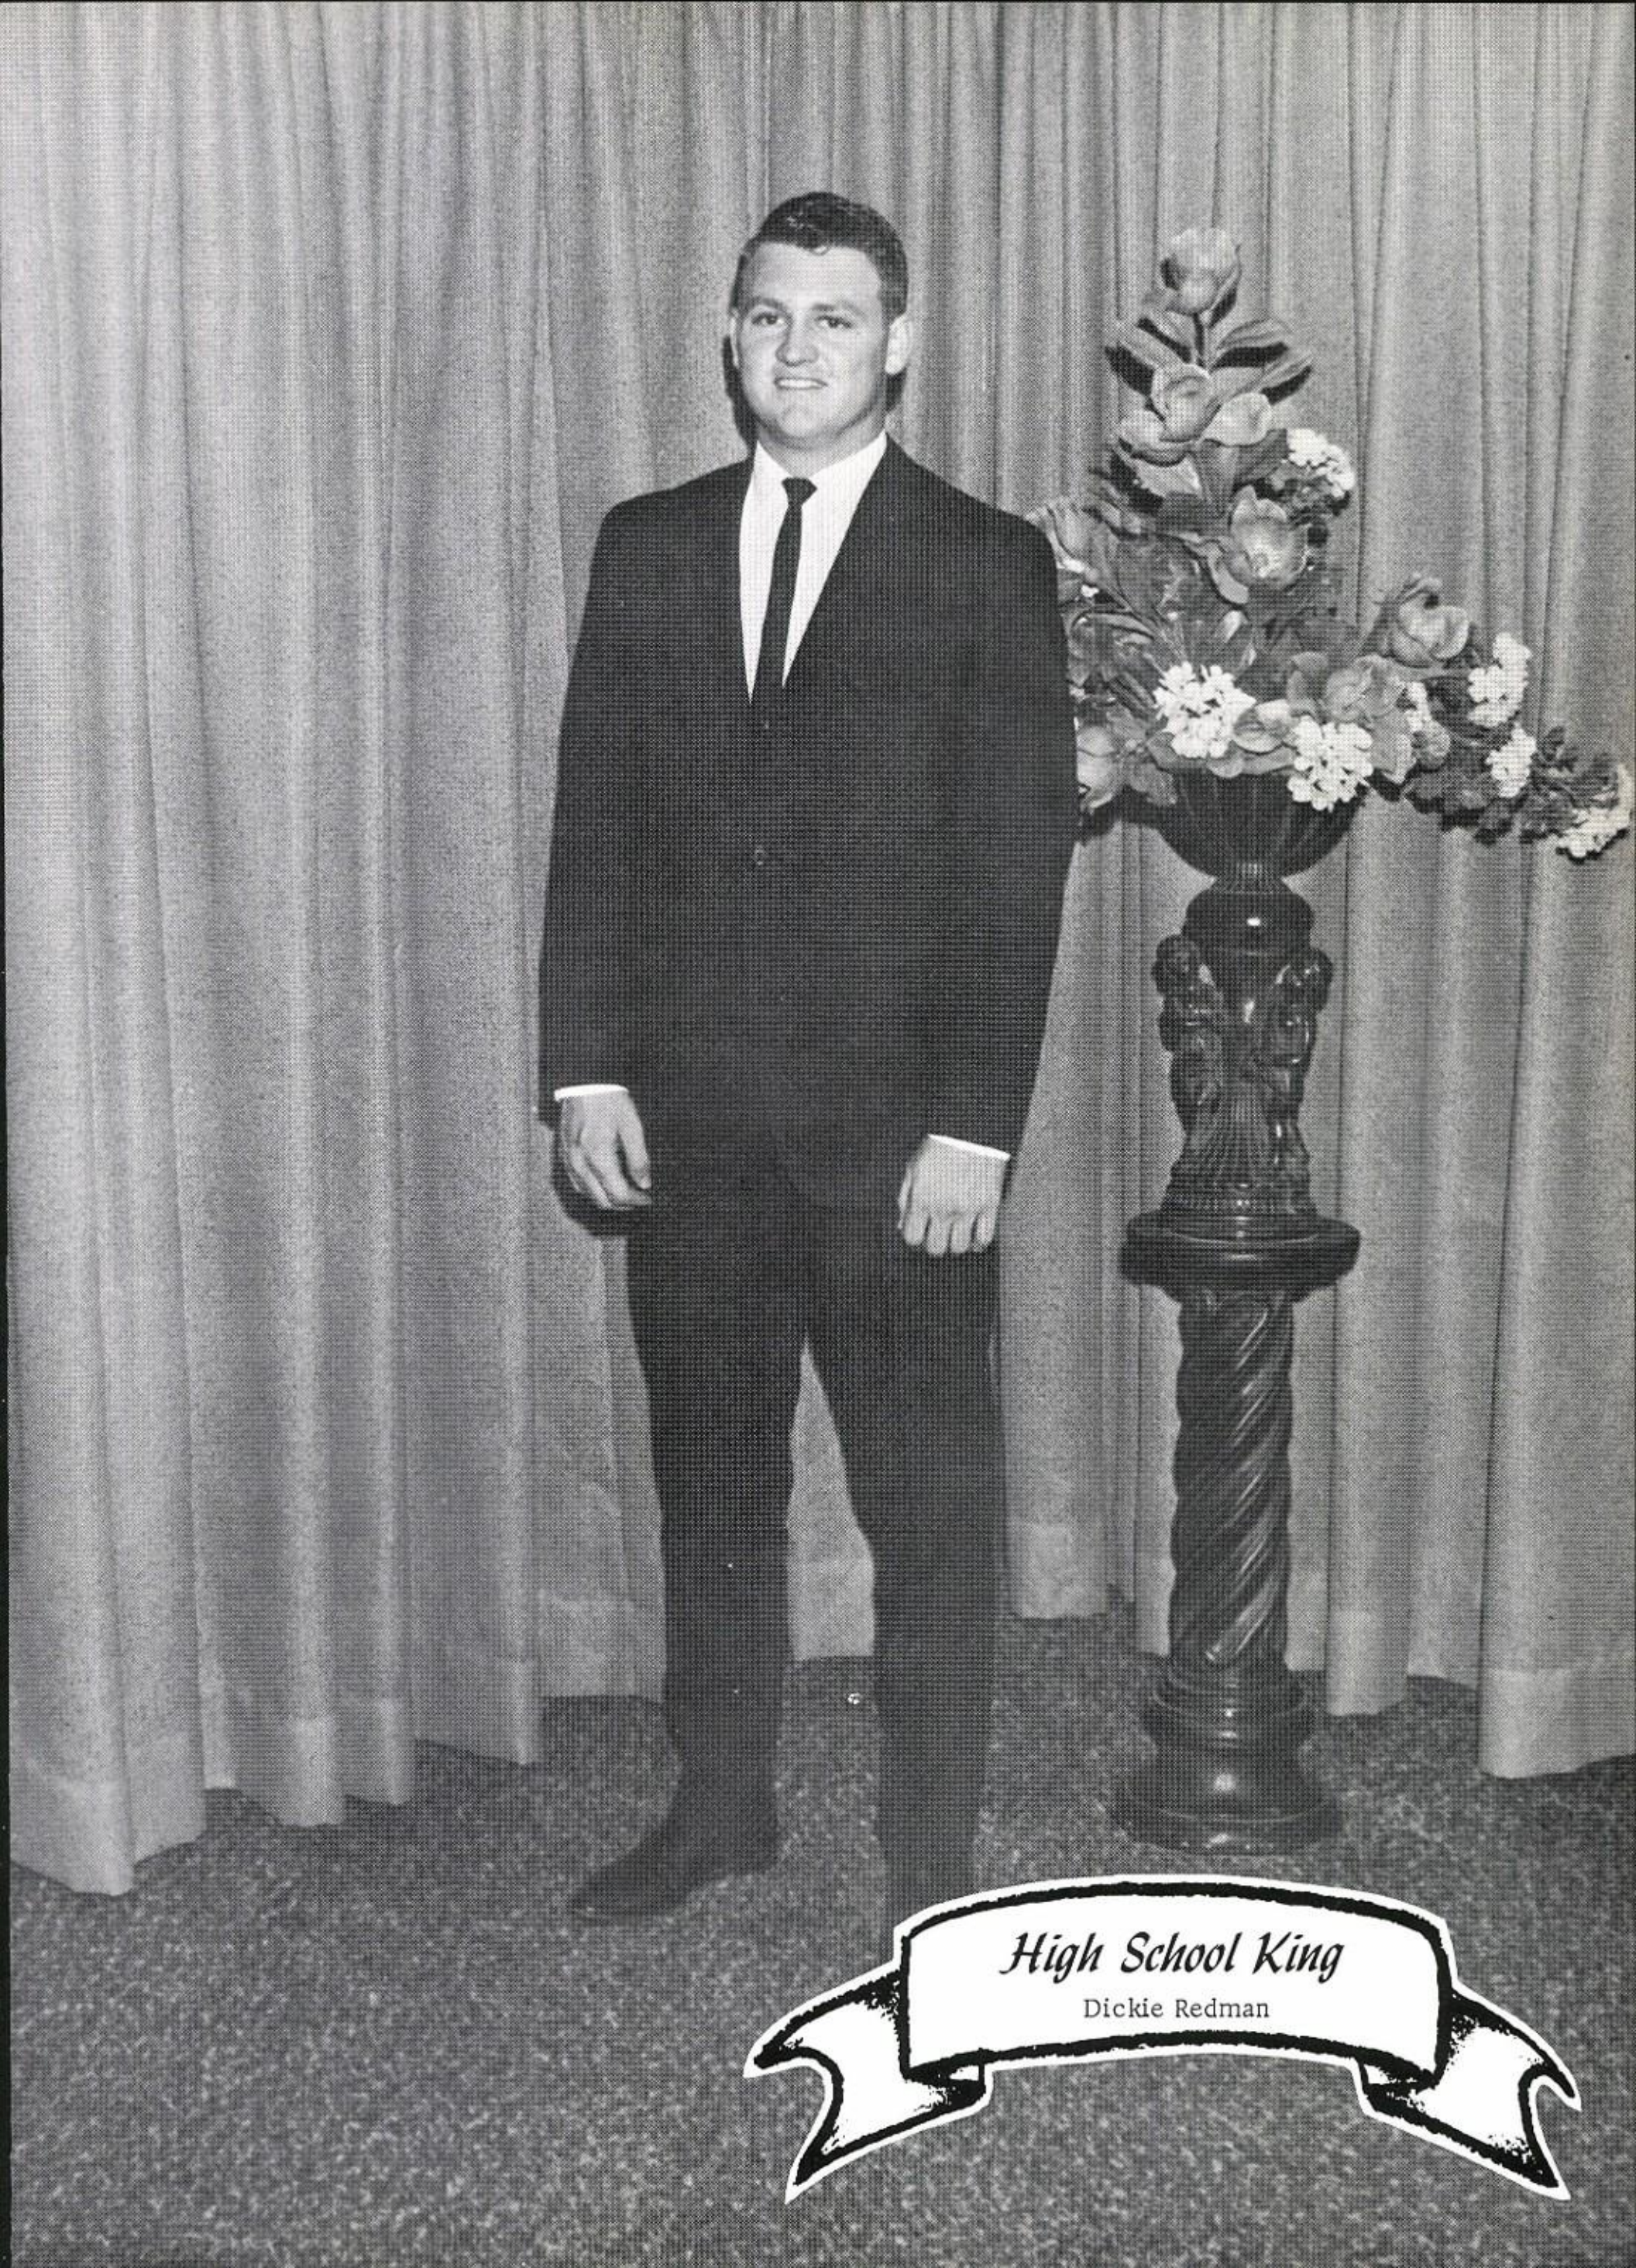

Mr. Owen and Mr. Schwertner are to be commended for the fine job done this year in keeping our school in the best condition possible.

CORONATION

- 1965 - 1966

It's Magic

The Paw Prints Staff sponsored the 1965-1966 Coronation, December 17, 1965, in the Ballinger High School gymnasium. Under the direction of Mr. Carroll Barnes, the Choral Club sang a few Christmas selections; then in conclusion the choir sang "Magic Moments." Immediately following the choir was the presentation of the Favorites and Who's Who. In the middle of the gymnasium was a golden castle sitting on a moat of blue and white angel hair. At the far end of the gymnasium was a horse-drawn chariot. Tommy Selby was Master of Ceremonies and Elaine Hallmark played the processional.

The choir, under the direction of Mr. Carroll Barnes, sang before the Coronation, Sunny Bryan was the accompanist.

Linda, Jan, Susan and Elaine pause a moment to admire the decor of the Coronation.

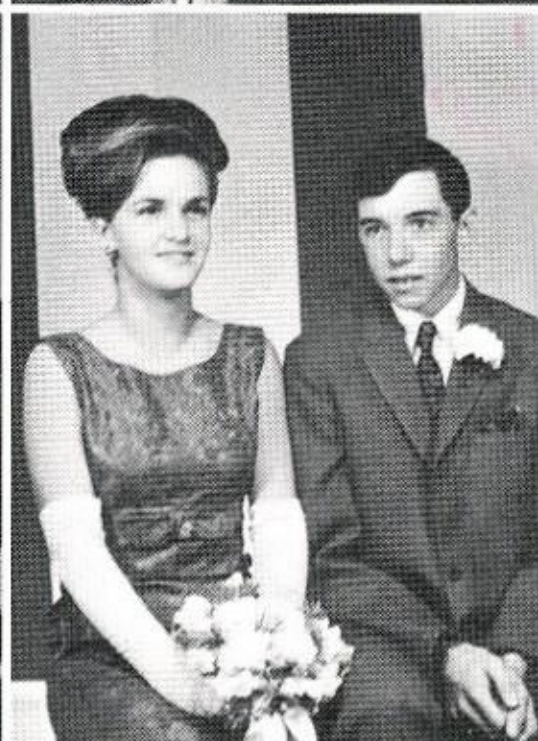

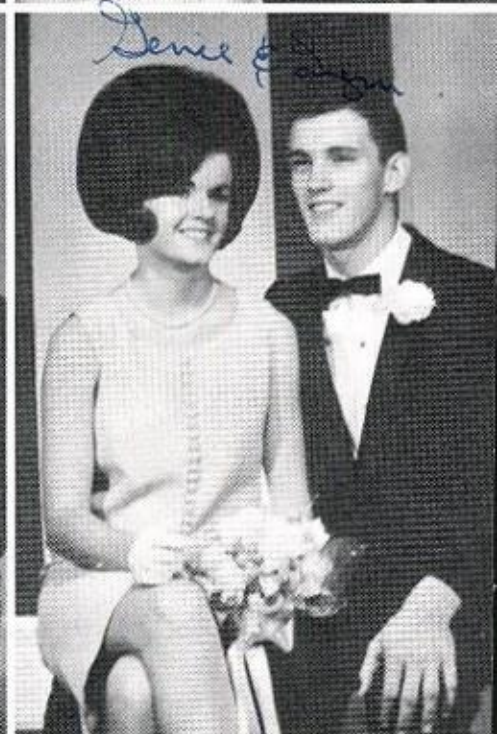

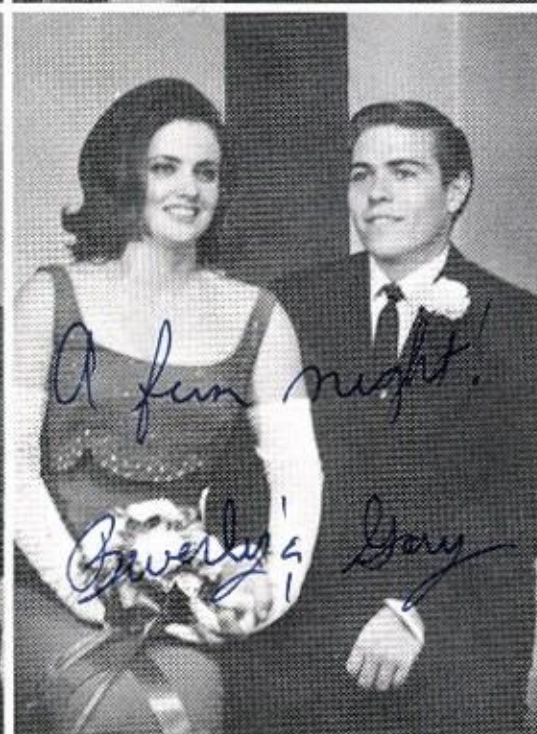

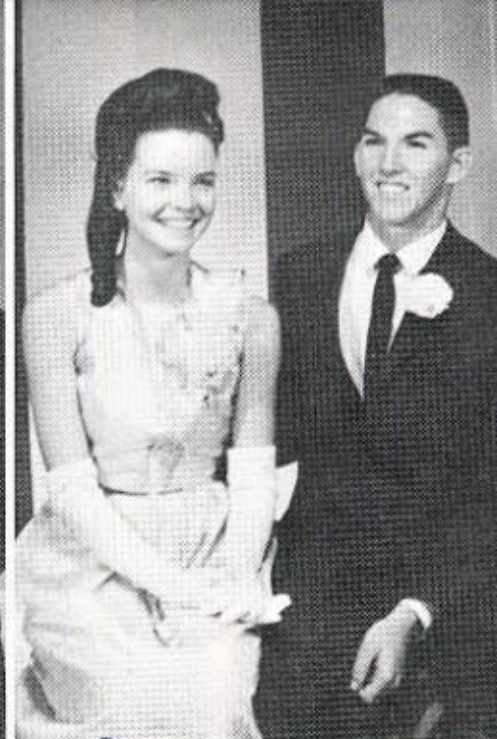

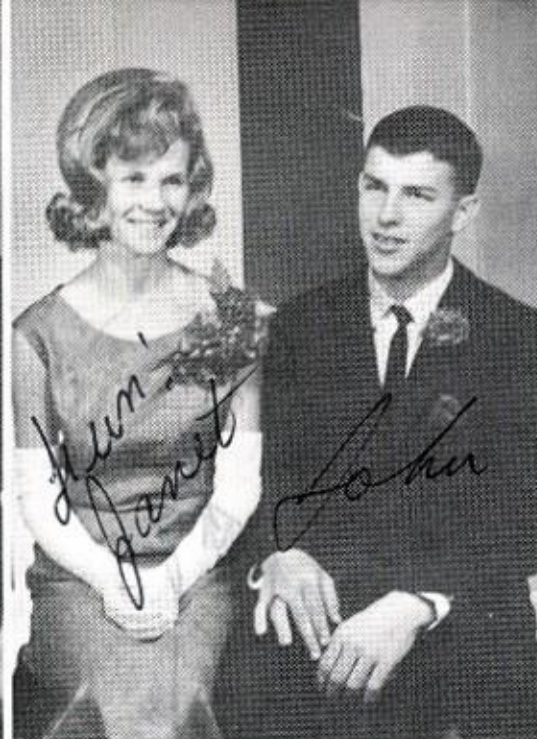

CORONATION SNAPS

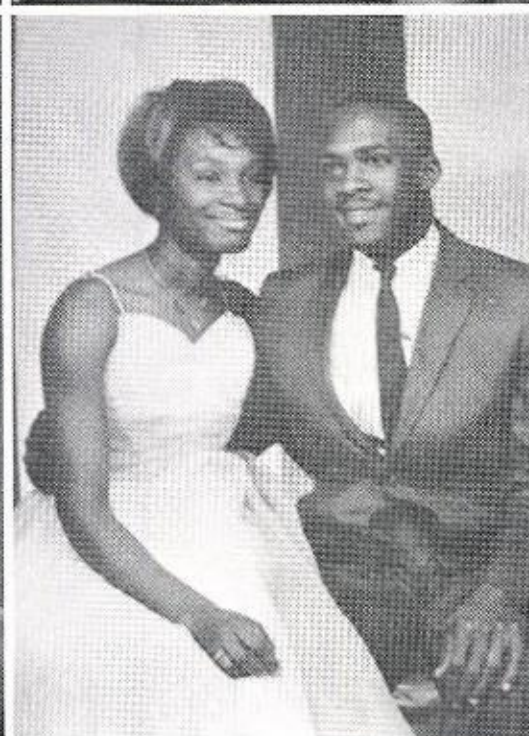

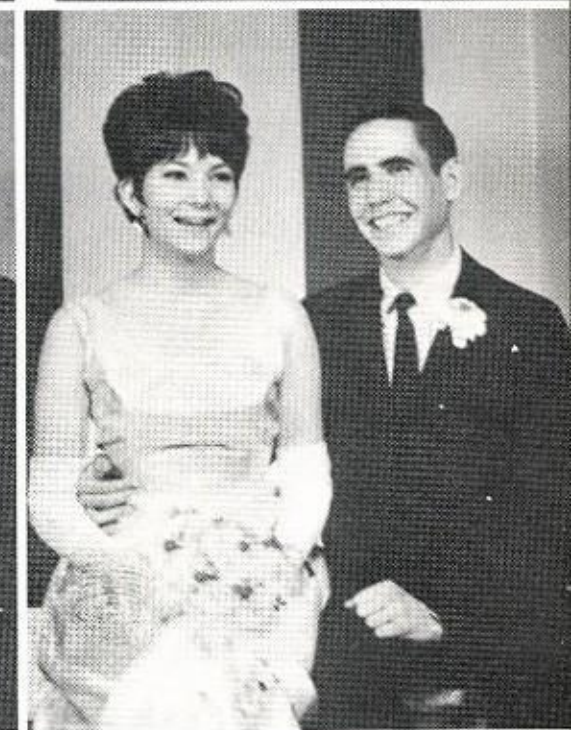

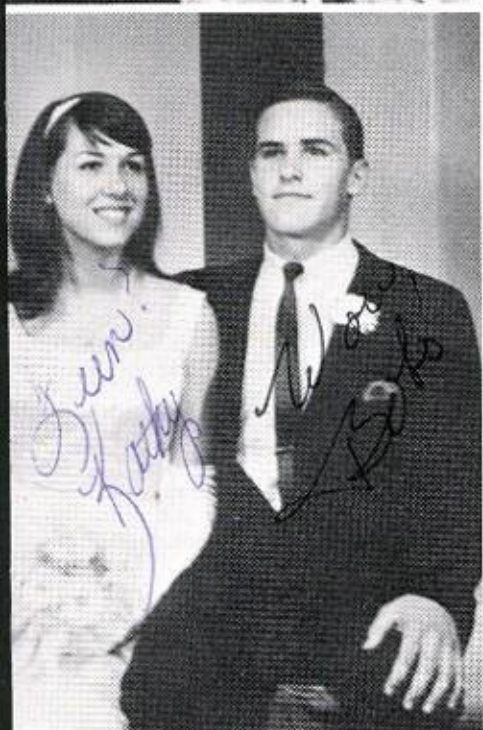

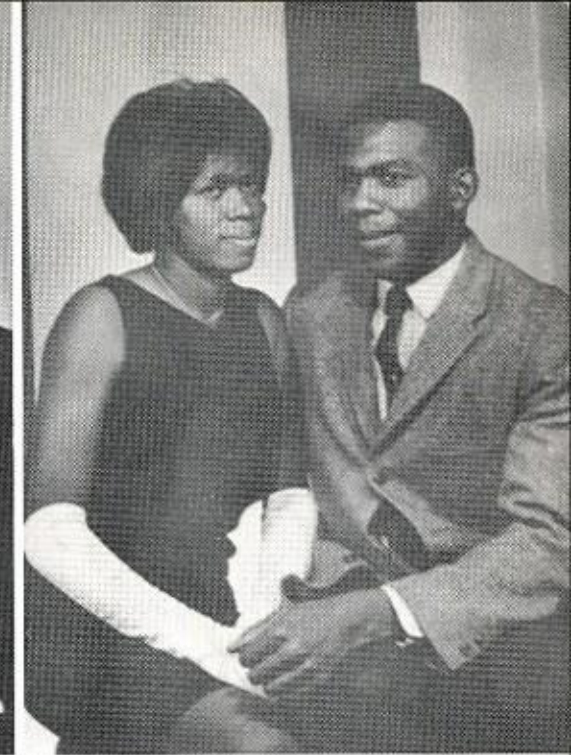

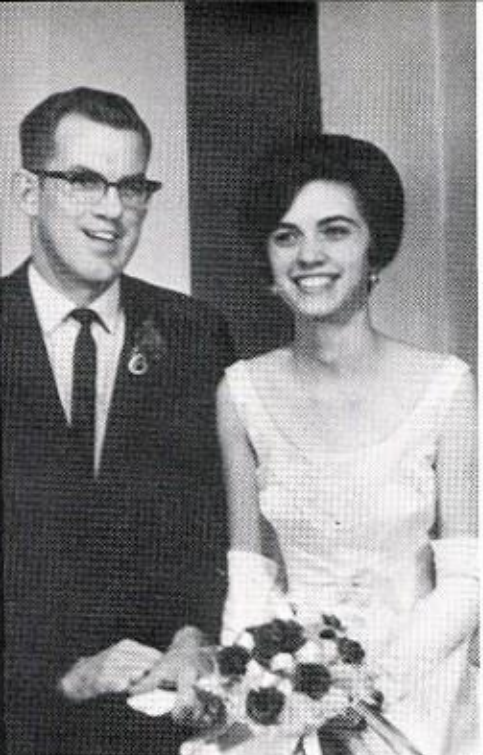

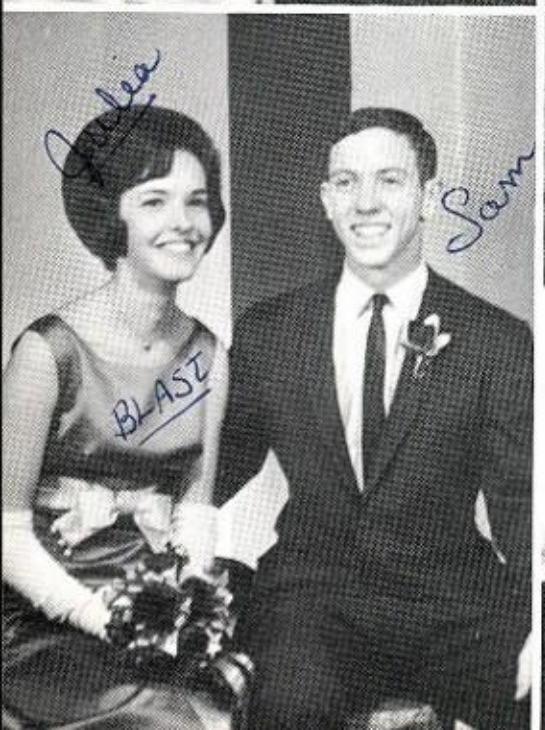

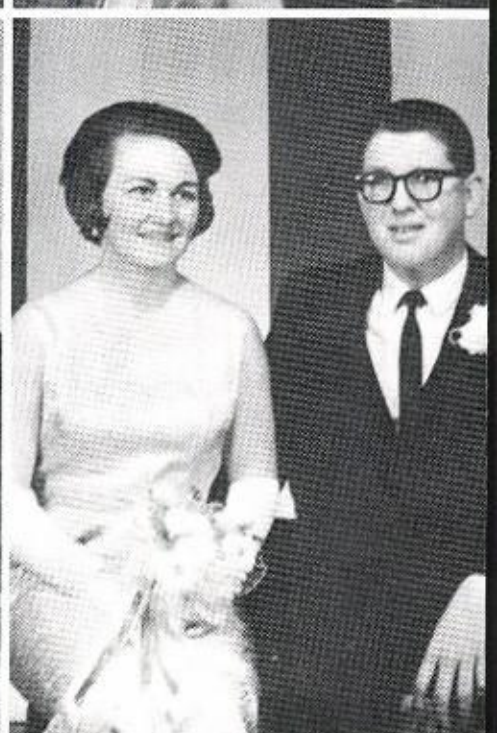

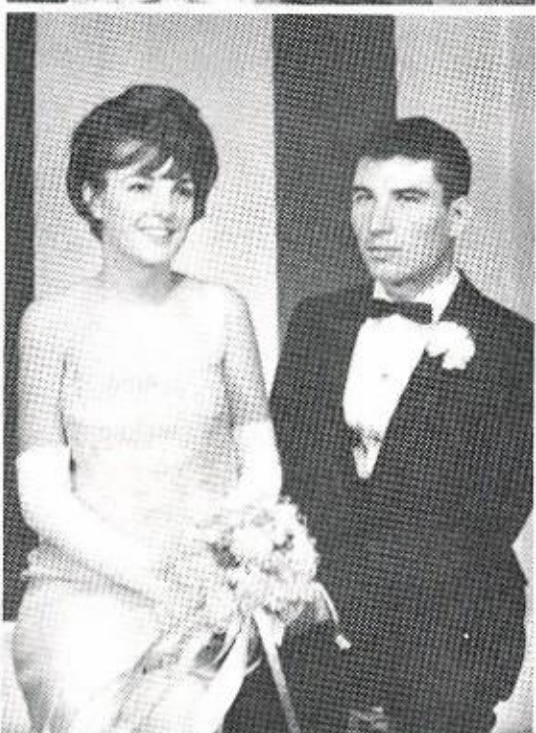

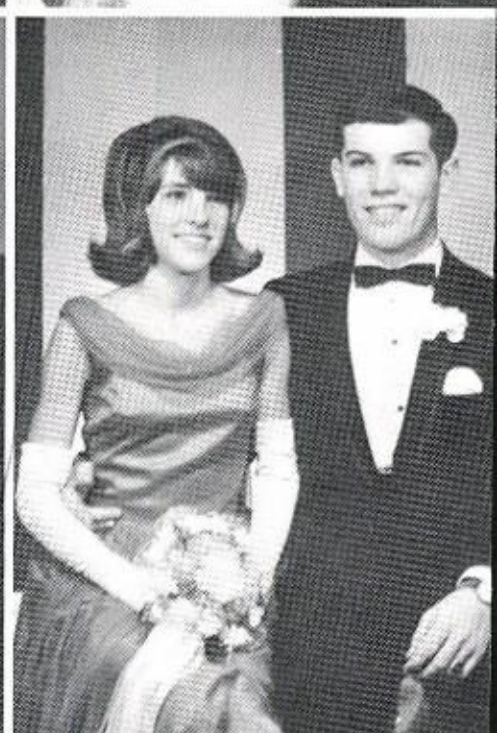

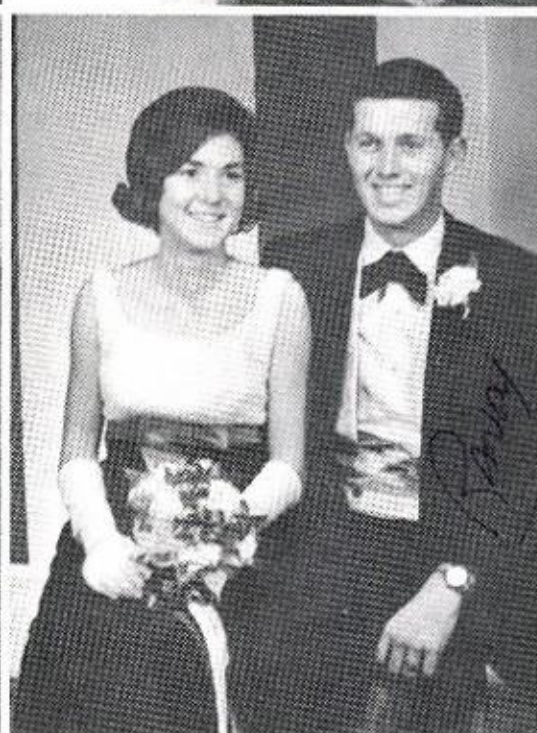

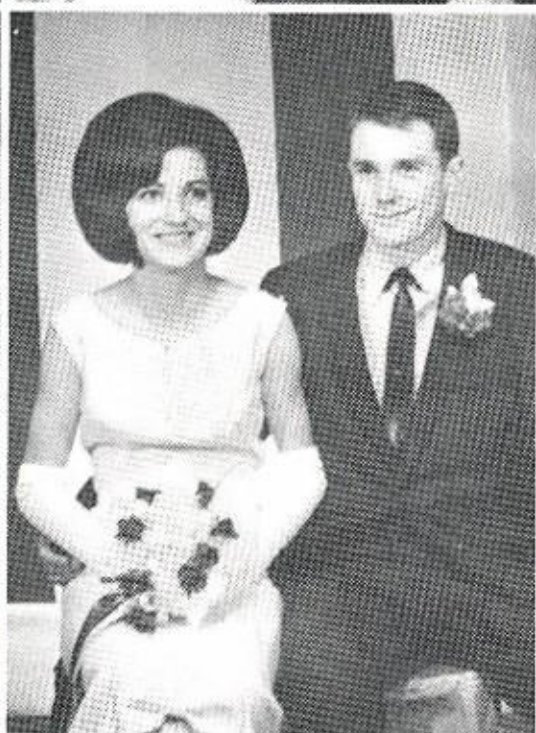

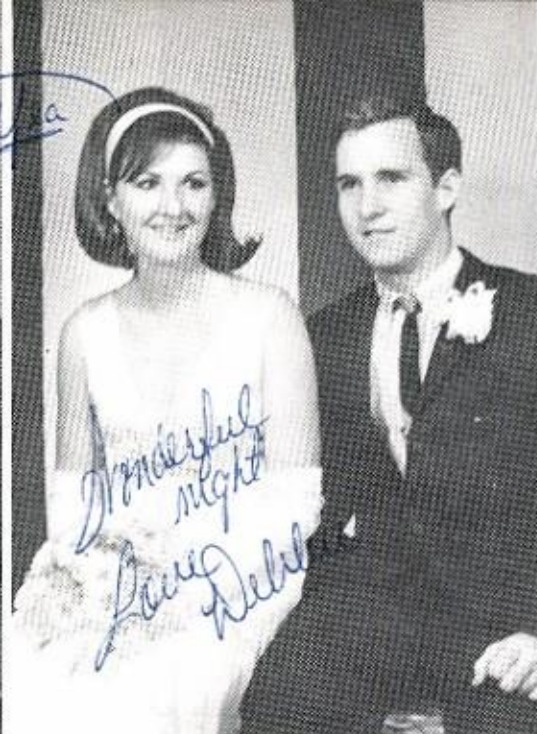

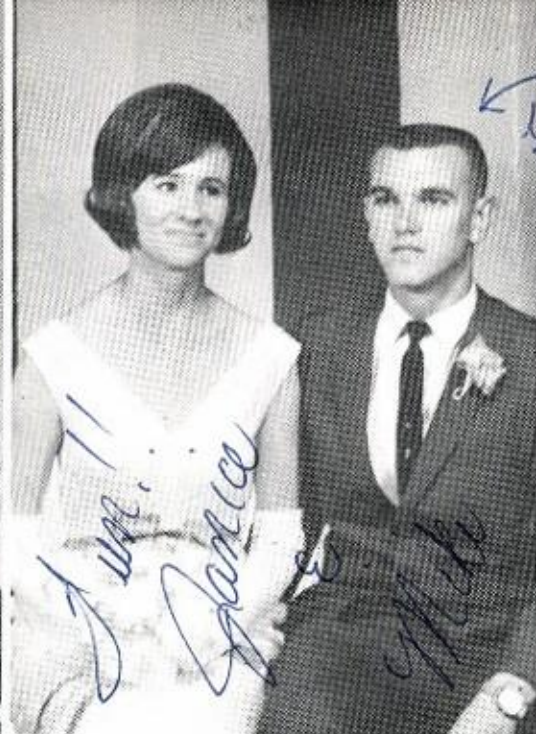

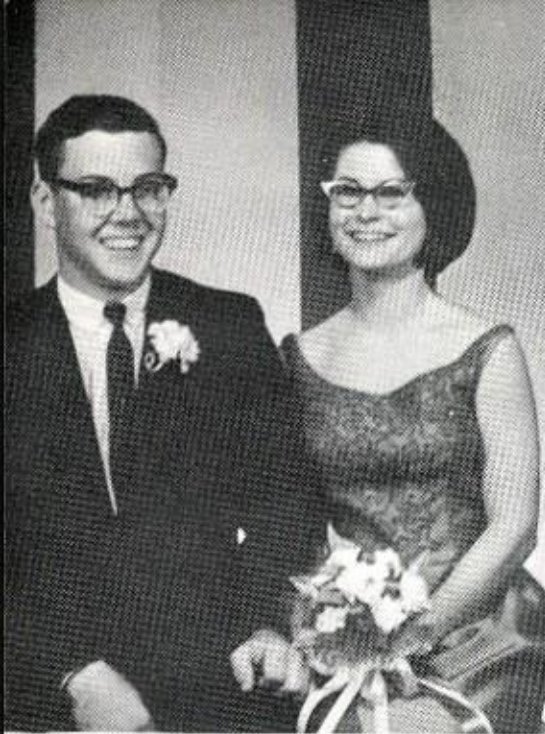

Everyone seems to be enjoying the entertainment provided by "The Shades."

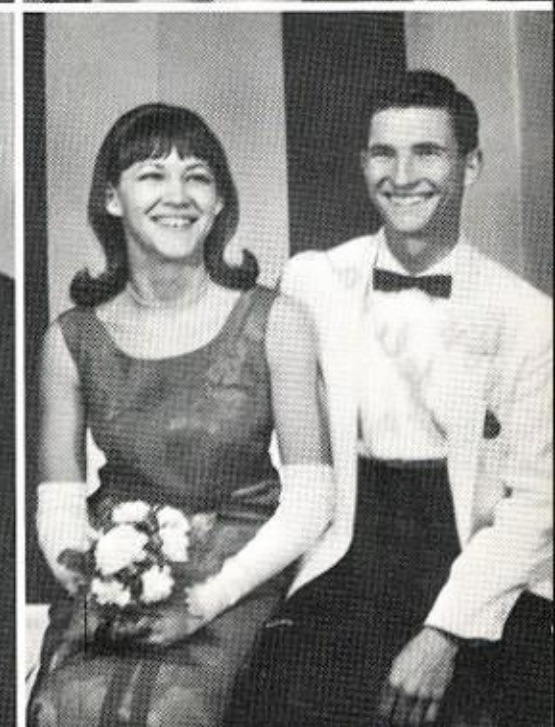

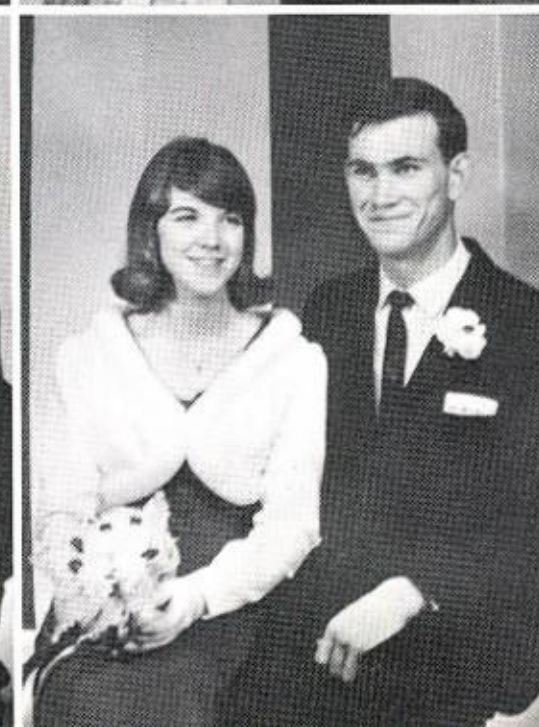

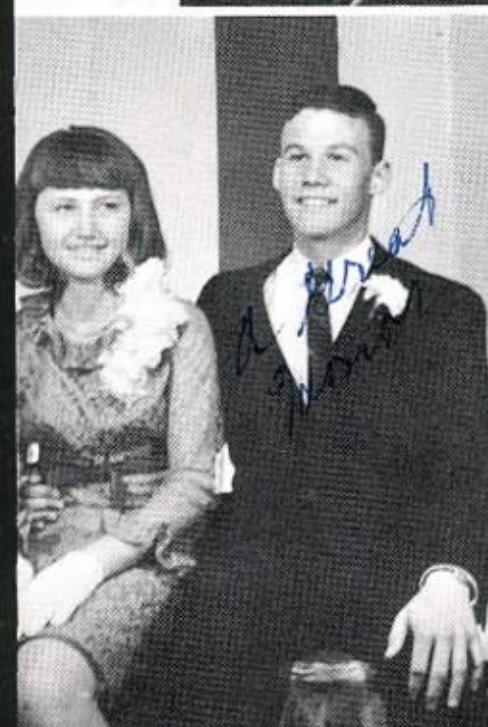

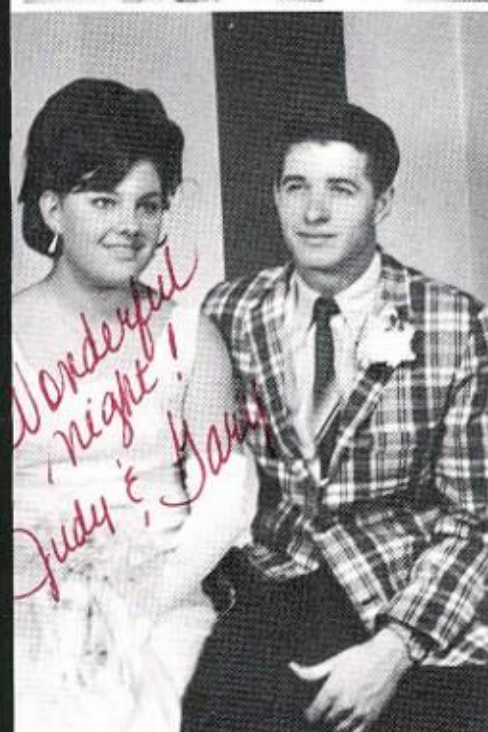

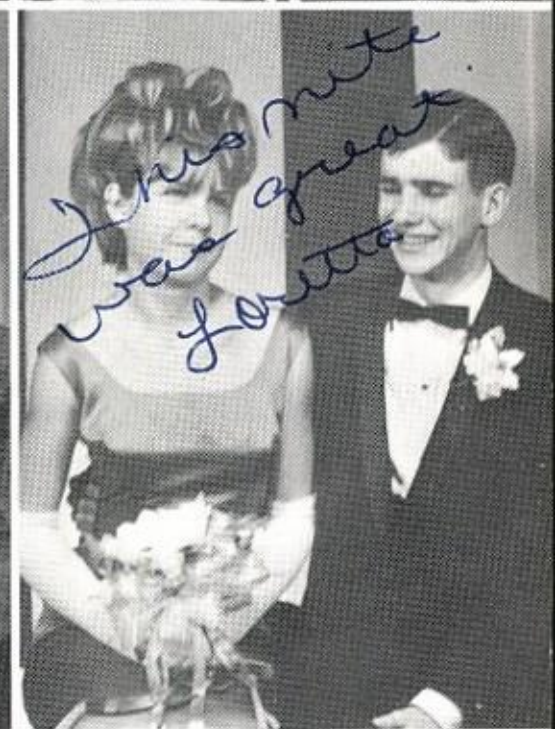

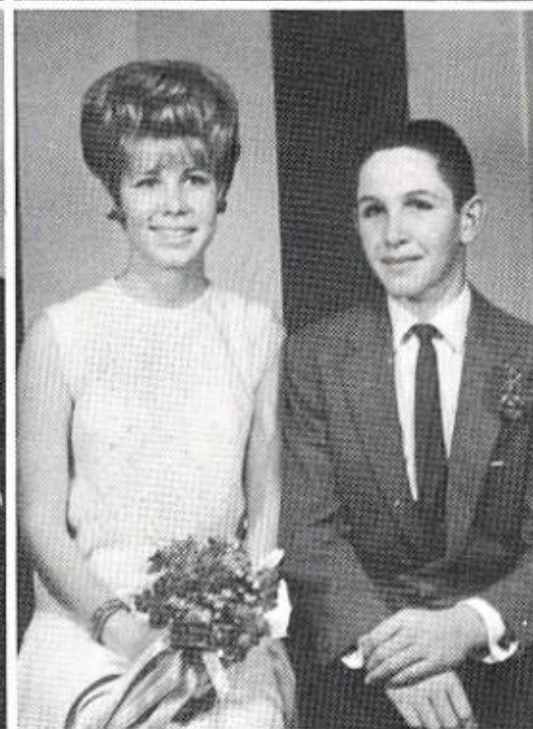

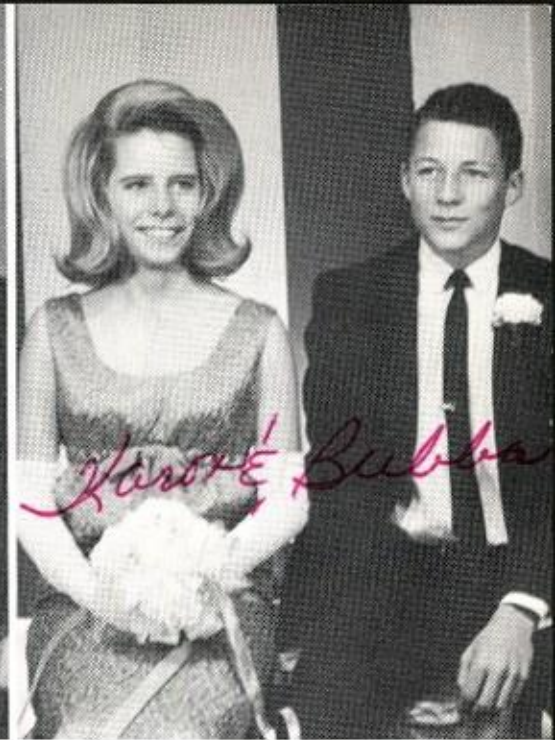

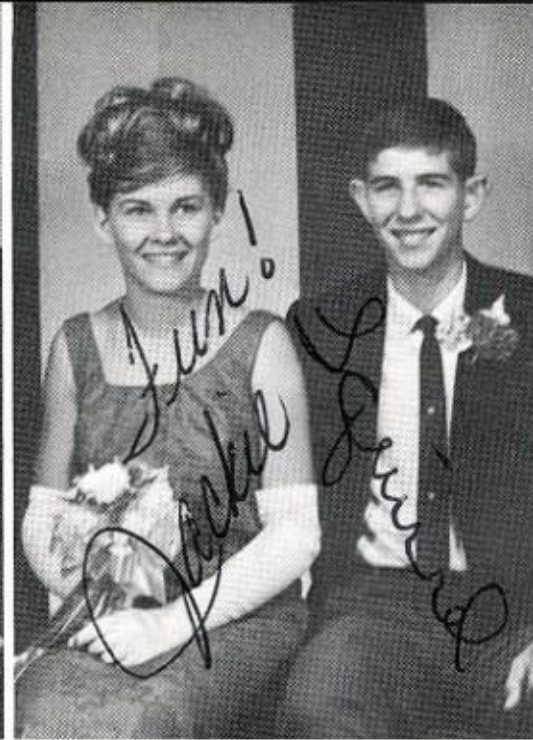

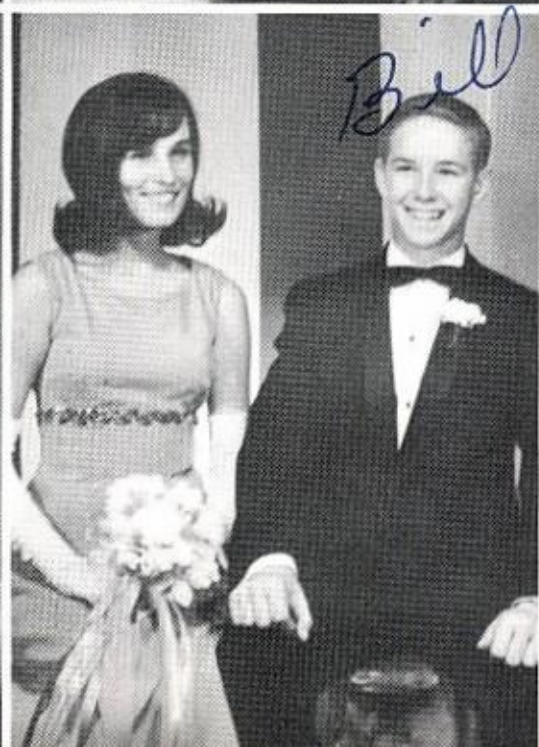

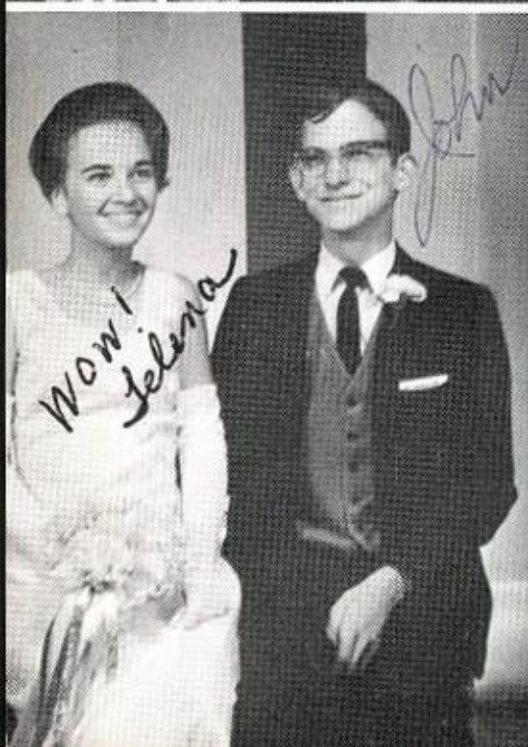

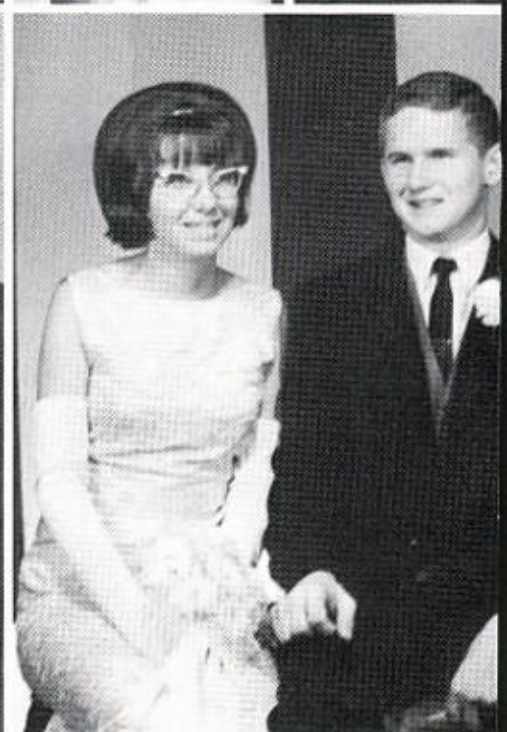

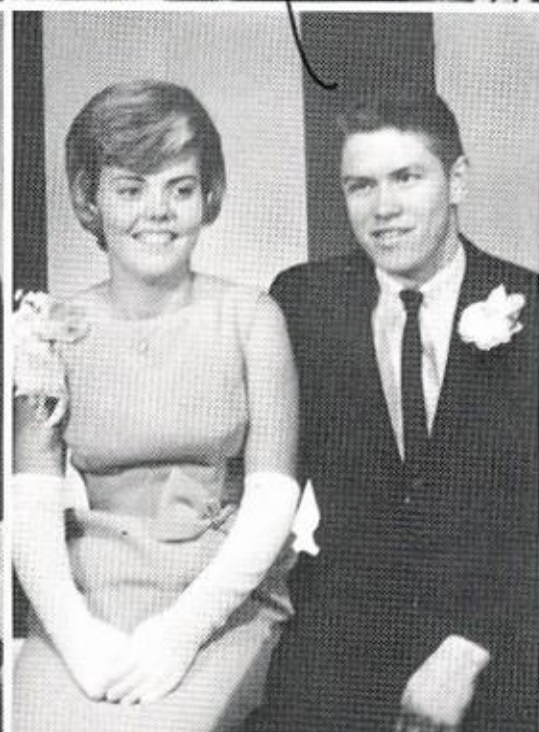

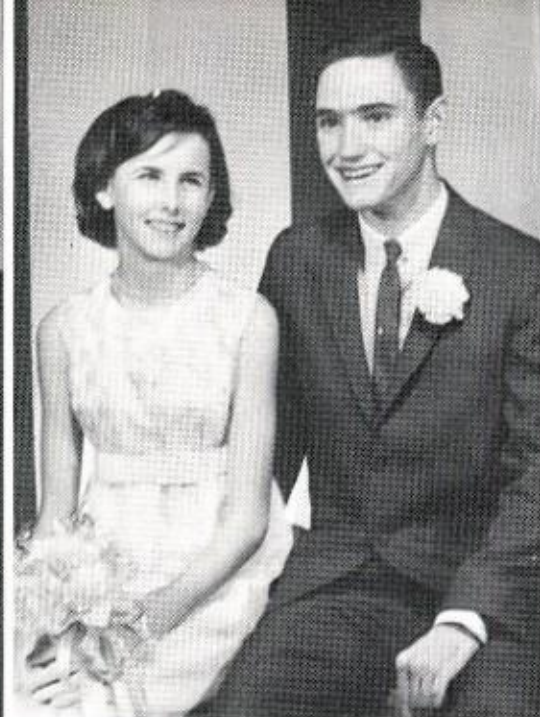

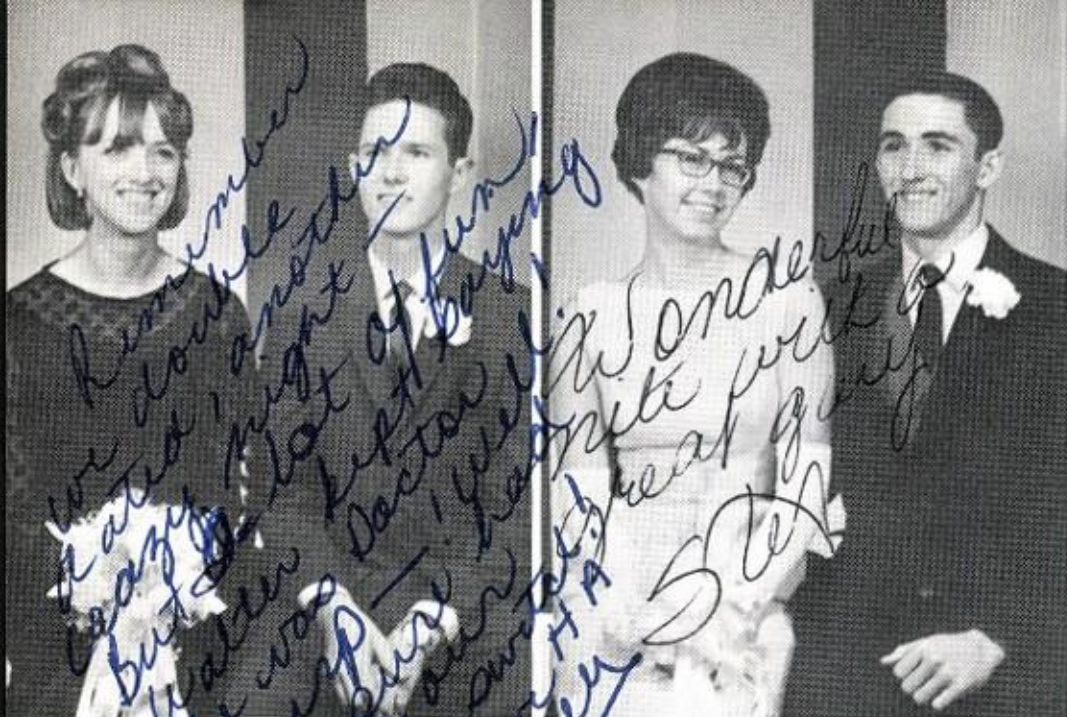

The presentation of the favorites and Who's Who was the big event of the evening.

Throughout this year we have seen leadership and good sportsmanship backed by determination and vigor. It has been led by these five men--Coach Flippen, Coach Phillips, Coach Brevard, Coach Bryan, and Coach Patterson.

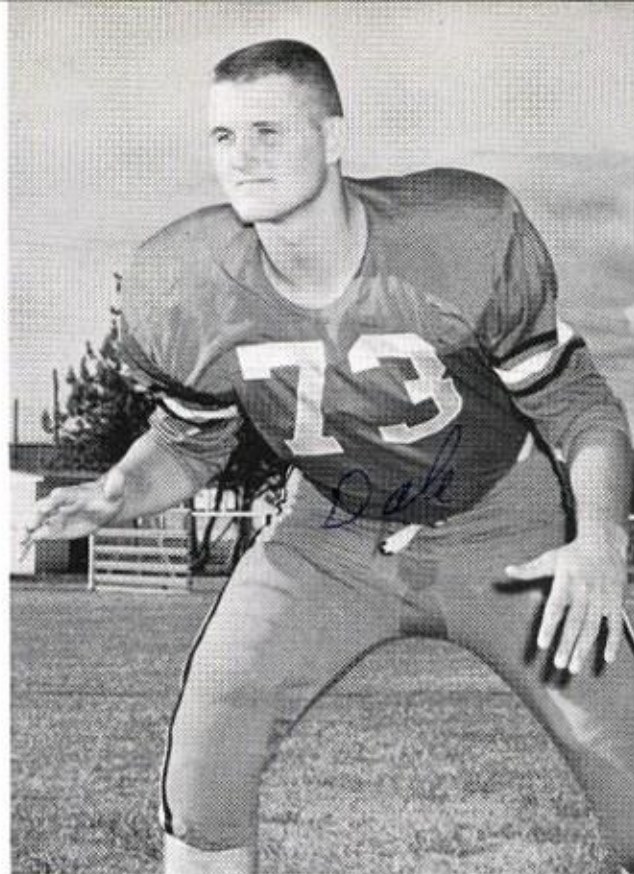

These four boys--Johnny Holloway, Ronnie King, John McAlister, and Hal Reneau--played a big part in the management of the Bearcat team. The job of manager requires a lot of time and hard work.

Connie Butts goes up for the tip with a host of Bearcats waiting against Hamlin.

Connie Butts' two point effort was just not good enough as the Bearcats fell prey to the Hamlin Pied Pipers.

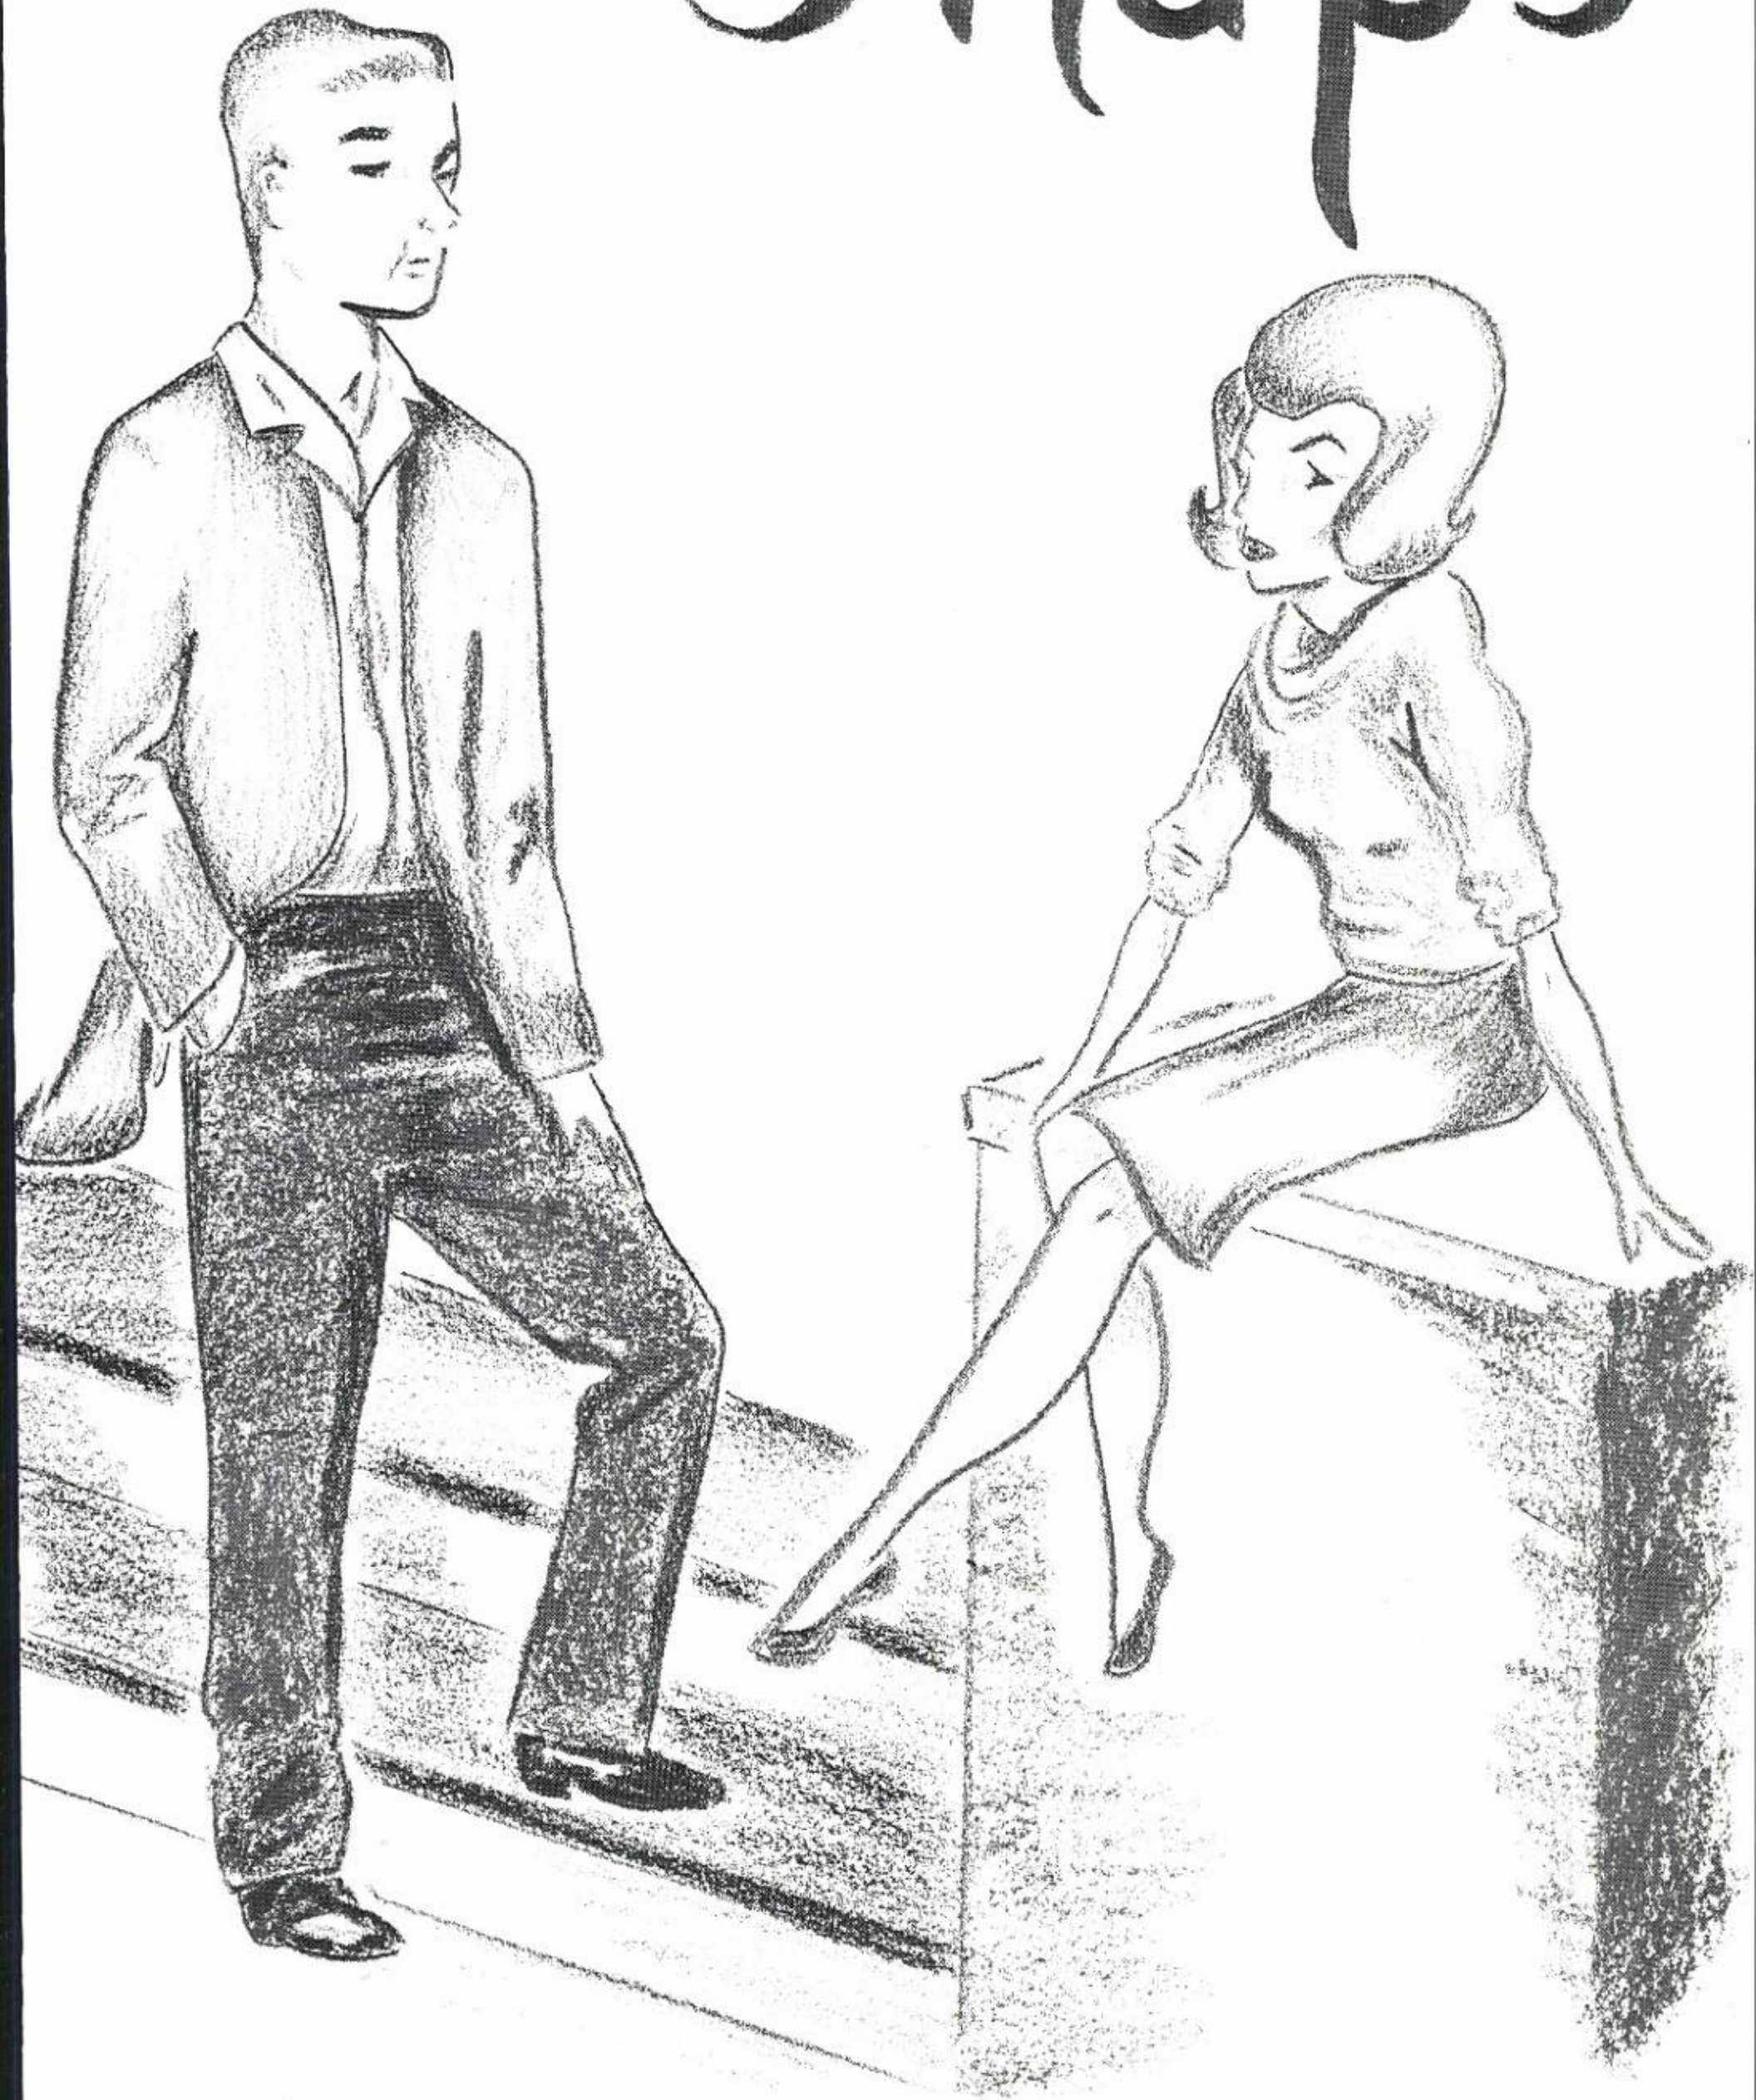

Someone popped the net for two points in a losing cause against the Anson Tigers.

The other Bearcats look on as someone scores two points for Ballinger.

Snaps

The Bearcats finally received their well-deserved jackets and District 5-AA Championship trophy after a very successful season.

Remedial classes were held in the Ballinger school system for the first time this year to help build reading skill.

The Bearcats are in their traditional pre-game huddle and look as though they are ready for another victory.

The students look forward to their daily break between classes with much enthusiasm.

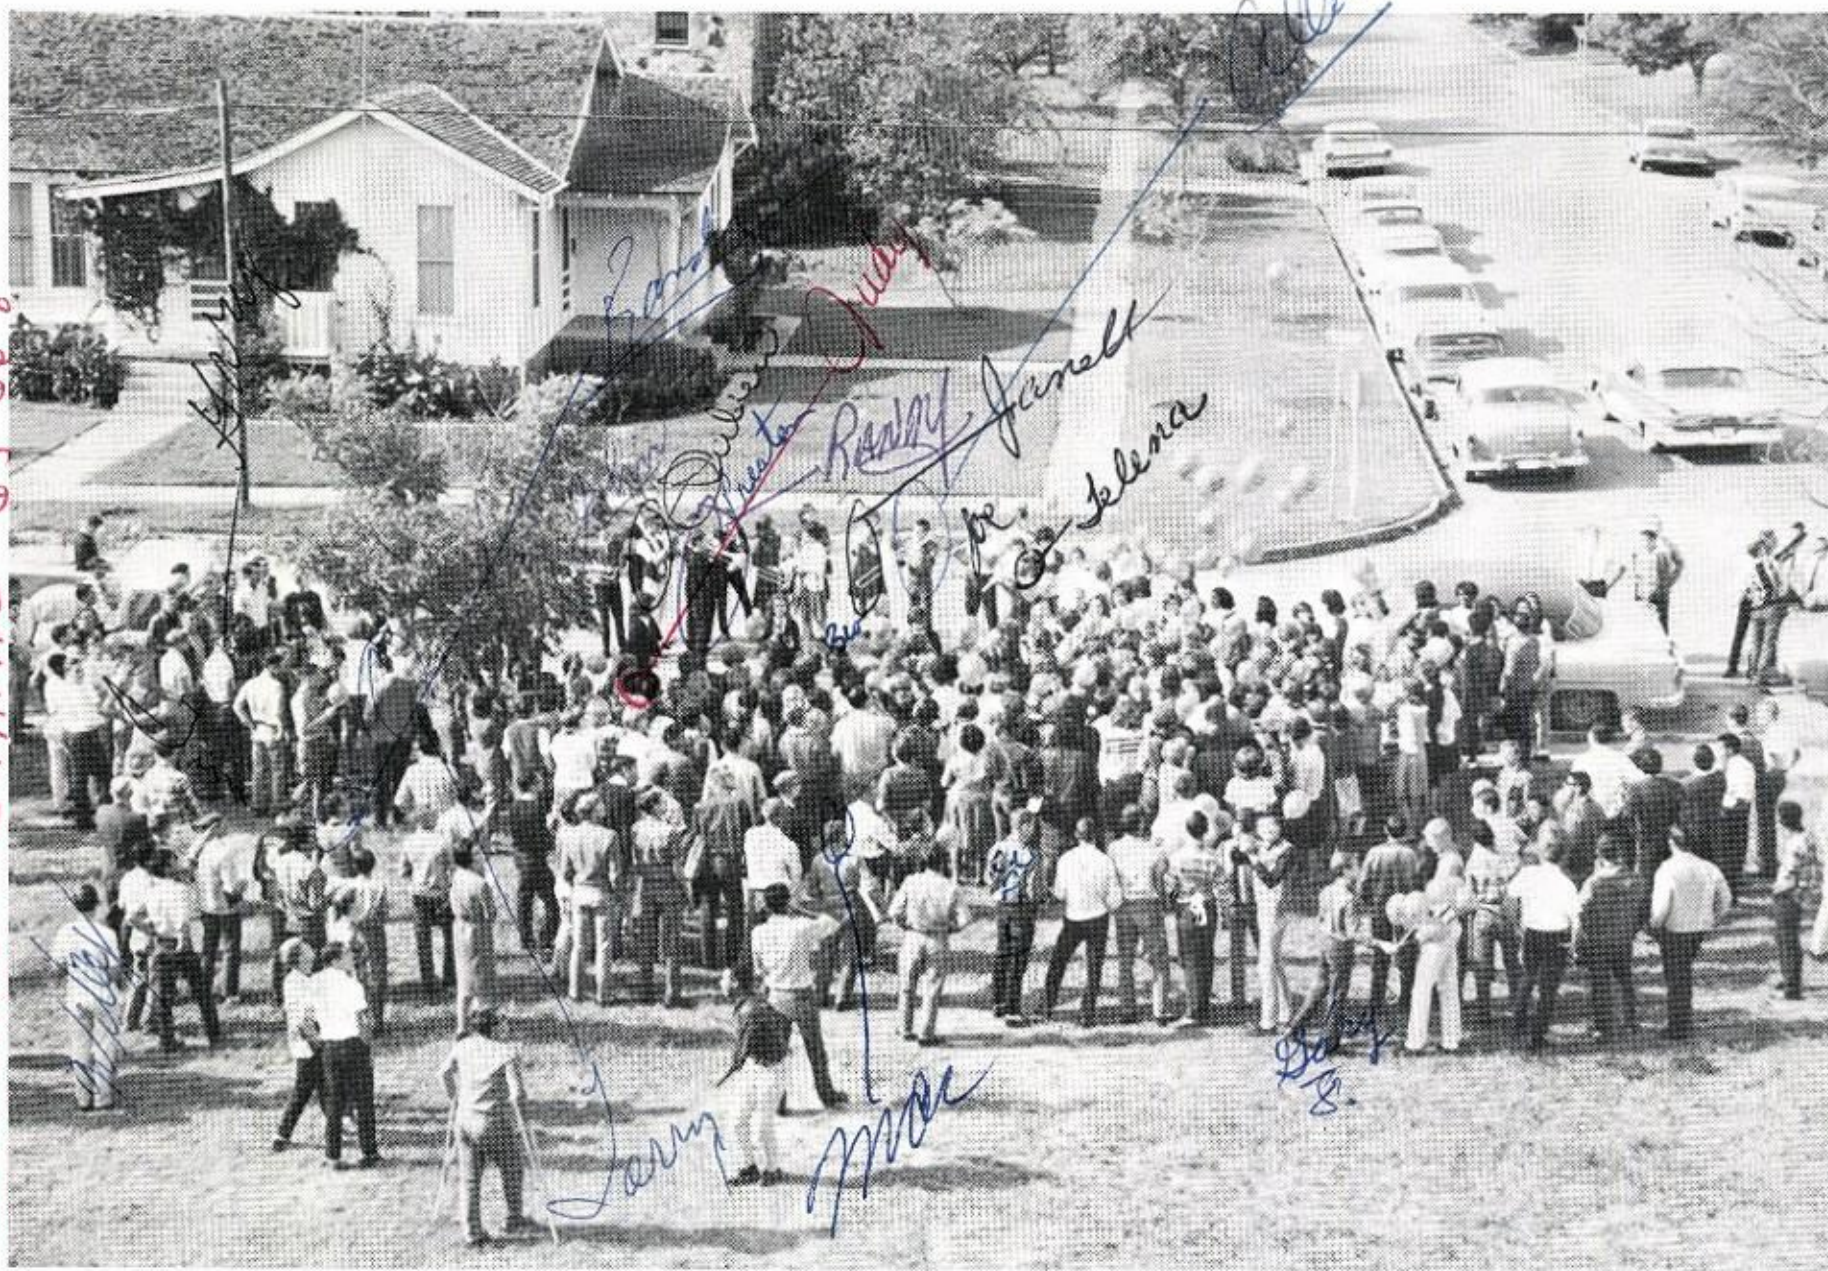

These lovely "girls" -- Dale Haygood, Linn Parish, Milford Wiley, and Mike Lippe -- served as the cheerleaders for the basketball game between the mothers and daughters for the March of Dimes.

The student council members gathered clothing for the World Clothing Drive to be sent overseas.

DISTRICT CHAMPS 65-66!

All the students participated in the walk-out pep rally to send the Mighty Bearcats on their way to Alpine.

The five cheerleaders, Lynda, Rinky, Jan, Linda, and Julia, do victory at the end of the Winters pep rally. It was a big victory this Friday night with a 13-0 score over the Blizzards.

The Bearcats are very solemn and thoughtful as they leave the pep rally with a victory on their minds.

A very nervous group of students awaits the start of the annual student council election speeches.

Santa Claus dropped in to see the students and present his gifts and paused for a chat with this small girl.

These homemaking girls are seen posing with some of the toys brought to entertain the small children they baby sat with for a week.

Marta,

Well, I don't exactly know where to begin, we've had so many good times together. I guess the time I'll never forget is up at Hilton's playing cards cause that's about the only time I've been with him. You a darling girl & I don't what I'd do without you. You've helped me so much. Remember the night at the Dairy Barn? Oh I only had a little of your nerve!

I guess we'll always have our secrets, we have since the 7th grade. It seems only yesterday when we were in the 7th grade! This year has gone so fast. It's really been a great year. I think we've had more fun this year than any other year. I wonder why?! One of these days we'll learn. (not to get caught, that is.) There's so many things to remember that we've done this year, but we just can't write them in here! Ha!

I hope you & Robert get along O.K. It seems we always have trouble with these ole boys. Especially the old ones. So many things have been so great this year, the Cornation, the parties, & the Nobel. It seems we always end up there!

Next year our boys are gonna win State! They may not be sweet but their great Bearcats. Oh next year is better than this year - oh - I don't know how fast. I hope next year doesn't go quite as fast. Before we know it we're gonna be ex-Bearcats.

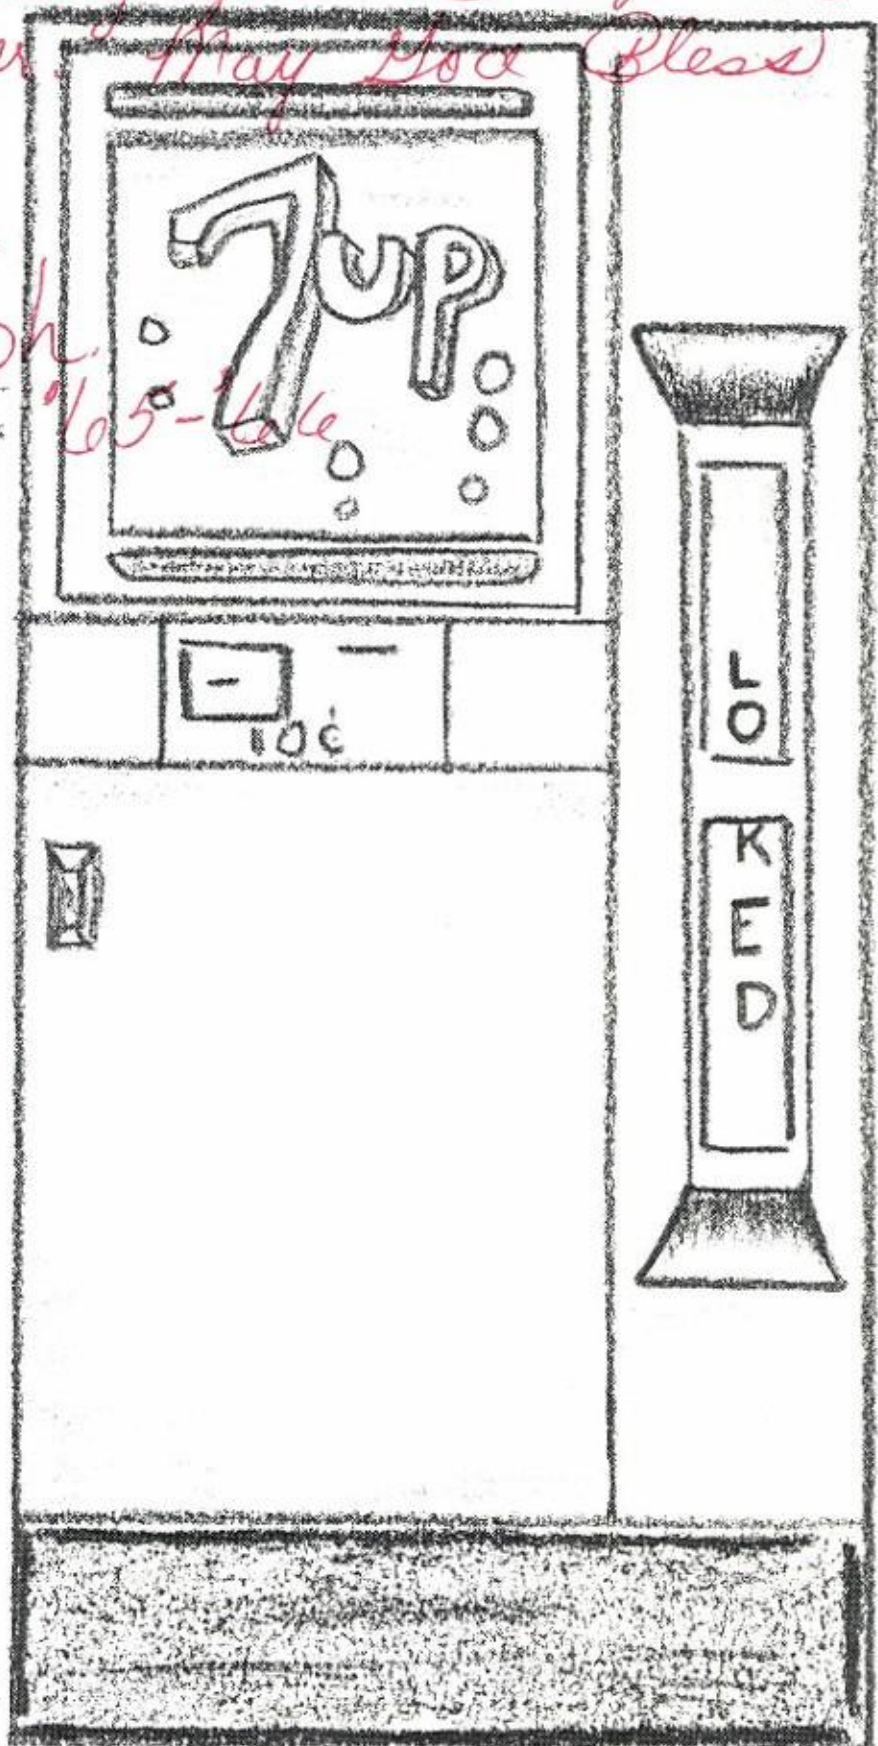

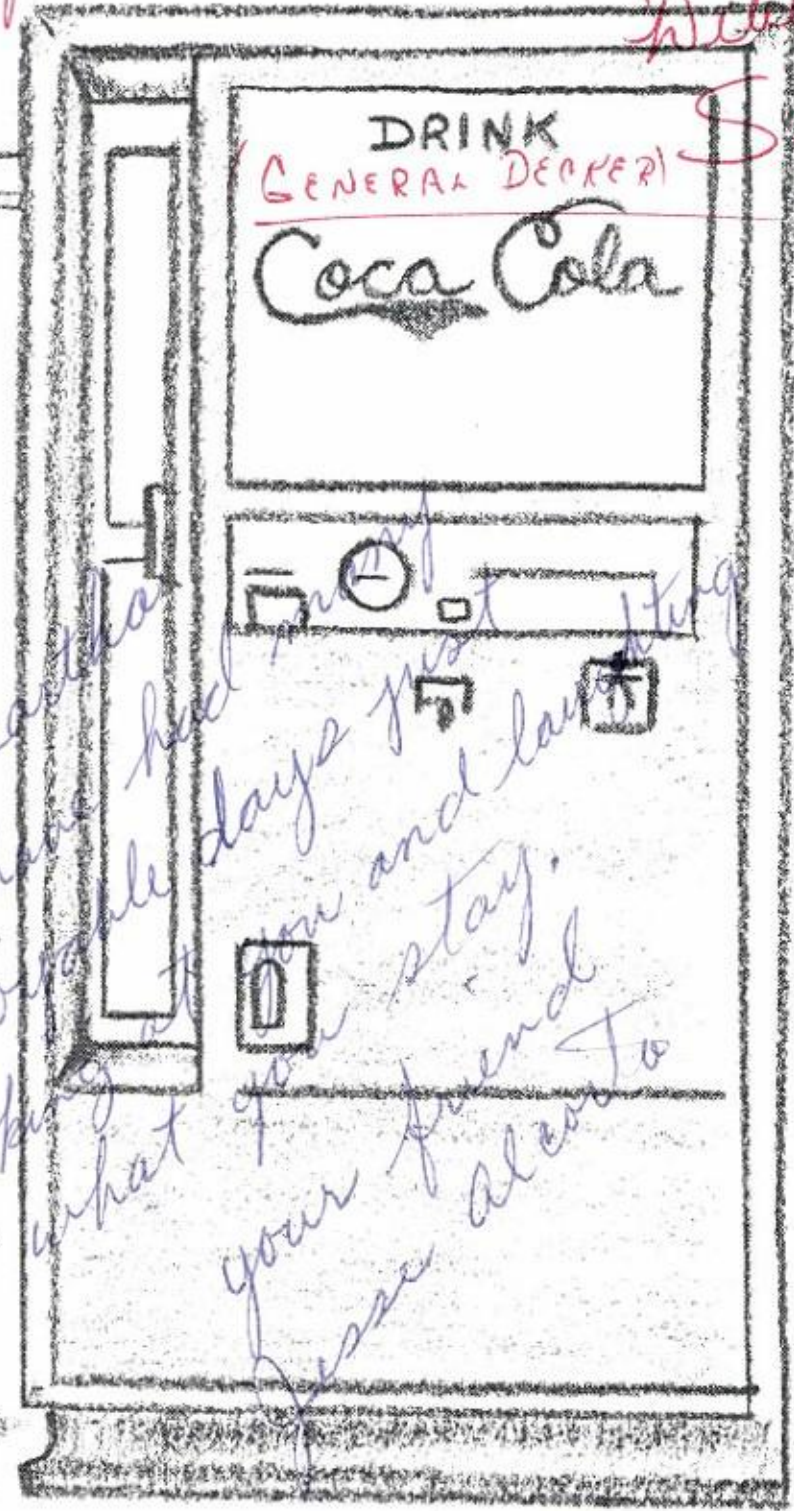

Remember what's gonna happen on our Graduation? General Becker & I forgot what Robert will be) anyway they'll be waiting for us. Well I think your a wonderful friend & I hope were good friends forever. One of these days Hilton & Mike are gonna take us to Los Angeles & we're gonna have a blast! May be next year I'll be old enough for Mike! 17! I better be!

Our Junior Party better be better than our
 Soph. party! Our Junior Senior will be just
 beautiful! Ha! So bad we can't take boys
 out of school.

Tell Martha, your a darling girl & I hope our
 friendship goes on forever. May God Bless
 you. I love you.

Martha,

We'll in less than two weeks we'll be big Jrs.! It's hard to believe, isn't it? Remember this time last year we were talking about how empty the school would be without the Seniors of '64-'65. Looks like we made it! This year has been a blast. I just can't believe it's nearly over. We have so many wonderful memories of all our good times in BHS and there will be a lot more. Let's make next year the best ever - especially the Jr.-Sr.! I can't wait until football season begins to see those mighty earcats go to STATE!!

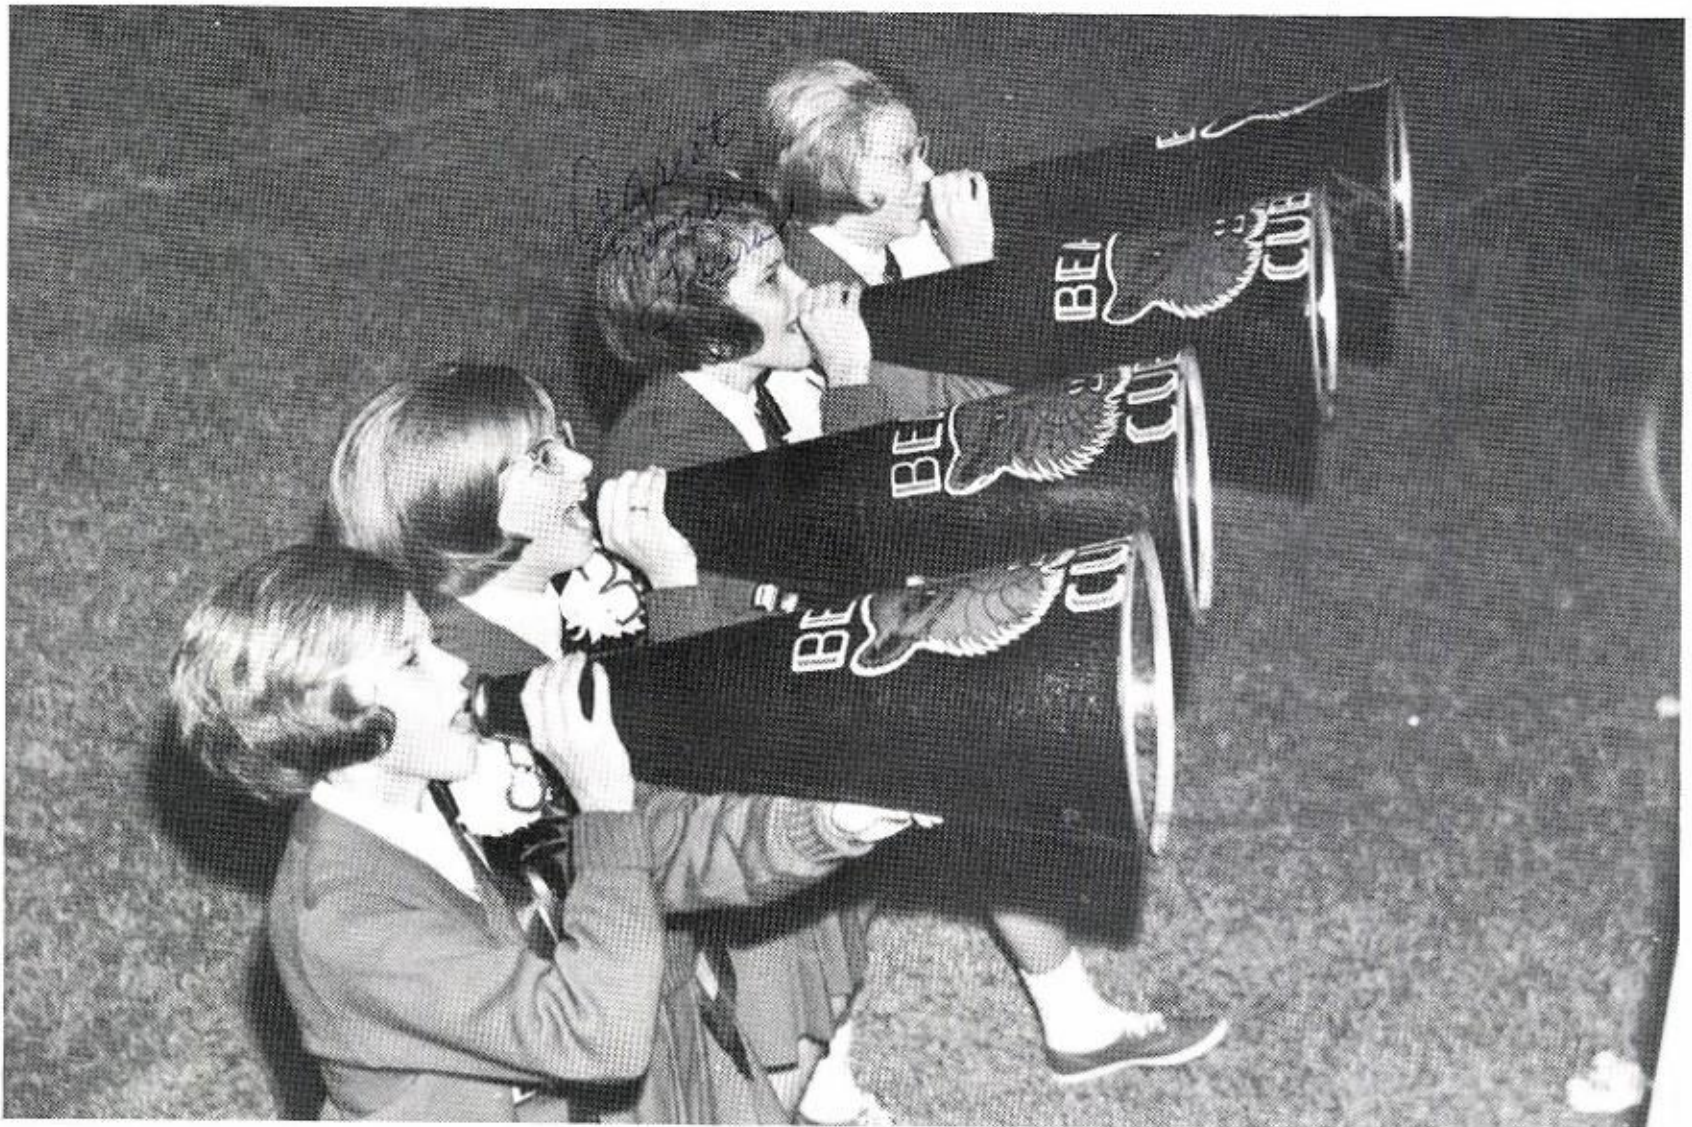

Martha, we've been friends for a long time now and I've enjoyed every minute of it. There are so many wonderful things which I'll never forget. You're a darling person and so much fun. With you, there's never a dull moment - maybe we better start having a few dull times! HA! Nobody else can manage to get into trouble like us Sophs! You're a great friend and I hope we can always remain as close as we are now. You know how much you mean to me. I wish you all the luck in the world with Robert! Looks like if you're doing OK.

It seems like yesterday we were excited because we were going to be in Jr. High. In just two short years, we'll be leaving that wonderful BHS and all our cherished memories. Let's really make these last two years count. We'll be great Jrs. and even better Srs! Stay as sweet & crazy as you are! God bless you. I love you! Judy
